

Our Mission

Grace School of Theology is an evangelical Christian institution of higher learning and has as its purpose the offering of programs of study in an environment where academic excellence is emphasized and a biblically based perspective is maintained. Grace is committed to enriching its students spiritually, intellectually, and professionally, and to preparing students to serve God in a global and culturally diverse society.

Our Vision

The Vision of Grace School of Theology is to develop spiritual leaders in every nation who can teach others about the love of Christ, a love that cannot be earned and cannot be lost.

Celebrating Together

We are honored to celebrate the achievements of today's graduates. All graduates and guests are invited to attend a reception following this afternoon's ceremony.

This graduating class includes several milestones, including our first graduates from Spain and Kazakhstan, our first graduate from the Philippines, our first master's level Spanish Program graduate, and our first Master of Theology graduate. Our graduates represent thirteen states and three countries.
