General Information

History

American Christian higher education has deep religious roots. In the nation's early development, it was churches and denominations that led in establishing the first seminaries. Grace School of Theology, a direct product of that history, is founded on a free grace tradition based upon Biblical principles and the conviction that individuals have freedom of conscience before God and humankind. This freedom, absent from many traditions, affirms each person's ability to read and understand the Scripture without the mediation of other human beings. This emphasis ultimately led Grace School of Theology to challenge any teaching that does not recognize free grace as the only means to eternal salvation. Grace School of Theology is, therefore, founded upon the belief that eternal salvation is received solely as a free gift from God by believing in Jesus Christ as the Son of God and the Savior for mankind. Grace is committed to Christian scholarly endeavor in the free grace tradition.

Grace School of Theology is a private, non-denominational, institution of higher learning governed by a dedicated Board of Trustees. The institution had its beginnings in early 2002 when a pastor and laypersons in the Houston area committed themselves to realizing their vision of a local evangelical Christian institution emphasizing free grace. At the encouragement and advice of Dr. Charles Ryrie, Grace School of Theology began as Houston Theological Seminary as the result of the planning and visionary work of seven men who constituted the initial Board of Trustees: Dr. Dave Anderson, Dr. Glenn Darby, Mr. Larry Allbritton, Mr. Mark Rae, Mr. Jeffe Ready, Mr. Bill Diamond, and Mr. Bob Winslow. Of the original seven Trustees, Dr. Dave Anderson now serves as the President of Grace and a member of the Board and Dr. Glenn Darby is Chairman of the current Board of Trustees.

Grace School of Theology is a work of God's grace. God placed the burden for this educational ministry upon the heart of Dr. Dave Anderson who, for twelve (12) years planted churches in southern Texas and then, for eighteen (18) years, served as Senior Pastor of Faith Bible Church of The Woodlands, Texas. The discussions between Drs. Anderson and Darby with the full Board of Trustees led to the beginning of Houston Theological Seminary. The first seminary classes were held in Faith Bible Church of The Woodlands, Texas, and Cypress Bible Church of Cypress, Texas.

Houston Theological Seminary received its certificate of incorporation from the State of Texas effective May 29, 2001. The first students began classes in the fall of 2002. After Texas enacted a state law prohibiting the use of the term "seminary" in an institution's title without state approval, the name Houston Theological Seminary was changed to Grace School of Theology in a Certificate of Amendment issued by the State of Texas in March 2003. The Texas Supreme Court overruled this unconstitutional law in the fall of 2007, but the seminary elected to retain its current name.

Grace is strategically located in the Houston, Texas metropolitan area. The main administrative offices are located in The Woodlands, Texas and include classrooms, faculty offices, and the main Library.

The purpose of Grace School of Theology is to teach Christ and empower and inspire students for Christian service and lifelong learning. We are praying that God will allow us to train people who have a global vision for reaching out in the name of Christ. From the first few students to our current graduates, God has brought us quality individuals who are serious about the study of the Word of God. The students come from many backgrounds, some with years of experience and some as recent Bible college graduates. Many are current church staff members serving as pastors, youth pastors, and Christian educators. Some are businessmen and laypersons interested in and challenged to utilize their ministry gifts in service for Christ. Every student is

important to us at Grace. In the classroom, students are challenged to understand the Word of God as we teach a consistent and uniform system of theology.

In individual, one-on-one conversations the students are pointed to the Word of God by dedicated faculty and staff. All of this inter-action, classroom and individual, culminates in the preparation of students to minister in a real world to real people with the love of God, a love that cannot be earned or lost. This is the vision, purpose, and the challenge of Grace School of Theology.

Foundational Standards Preamble

Calling

We are called to glorify God by instilling in our students the Gospel message of Jesus Christ and educating the next generation of Christians. Our calling includes both introduction to and encouragement to remain in a life of full devotion to Jesus Christ. We are charged with educating, encouraging, equipping, and serving our students and their families, which are an integral part of Grace School of Theology (GRACE). We do this by directly instilling our Christian philosophies, values, mission and goals in our students through offering a Christ-centered education. Overt liturgical religious purpose activities (preaching, worship, Bible instruction, communion, baptism) as well as related non-liturgical religious purpose activities (social service activities, weddings, teaching, ministry, or events) all serve as methods that GRACE utilizes to instill our religious values and beliefs. Even non-liturgical ministries are grounded in the *Policies Manual*, *Board Manual*, *Academic Catalog*, *Employee Handbook*, *Faculty Handbook*, *IE Plan*, *Strategic Plan*, *Student Handbook*, *Doctrinal Statement*, *Mission Statement*, *Vision Statement*, *Core Values*, *Purpose and Objectives*, *Philosophy of Education*, and *Ethical Values and Standards of GRACE*, and are therefore subject to all of its ministerial, enrollment, discipline, termination and expulsion policies.

Community and Partnership

We believe that our religious activity and education derives meaning in large measure from participation in a larger religious community. For this reason, parents and family of our student body play a large role in furthering our mission and viewpoint as a school. We exist to foster a Christ-like, educational environment of persons subscribing to our religious beliefs and faith. GRACE seeks to instill Christian values in students by having faculty and staff spend time with the students, instructing and engaging them in the learning process. In this way, we transmit our Christian system of values to the next generation.

Associating with like-minded Christian families reinforces GRACE 's Christian purpose and is vital to our educational mission to perpetuate the faith. We are committed to being and educating disciples who understand what it means to follow Jesus Christ into a life of worship, fellowship, sacrifice, service and being led by the Spirit. (*Matthew 28:19, Acts 1:8, John 15:16, Mark 16:15*) Our mission as part of the body of Christ is to participate, share, and encourage each other toward spiritual growth. (*1 Thessalonians 5:11, Hebrews 10:23-25, Colossians 3:16*) For these reasons, participation in our school requires a tangible commitment to our beliefs, purposes, and mission as outlined in GRACE's Written Foundational Standards, which are incorporated herein by reference, as if fully set forth herein.

Expression of Faith

GRACE intends to transmit our system of religious beliefs, tradition, Christian morals, reverence and values. We do so by engaging in the community and students' lives, acts of worship, and through all activities, educational and otherwise, in which we participate. Likewise, we believe that all behavior of students and staff of GRACE is communicative in nature, exemplifying and expressing our faith, both

publicly and privately. Any student or employee who propounds a point of view contrary to our beliefs as stated in our referenced written Foundational Standards, will impair GRACE 's integrity and ability to educate in accordance with its religious views and message.

Outreach Ministry

We take very seriously GRACE 's charge to be a Christian presence in a secular world. Therefore, all activities that GRACE engages in are intended to further its religious purpose, as stated in our Purpose Statement. As such, all of our programs are considered an outgrowth of the mission of GRACE to preach, teach, evangelize and instill the Gospel message of Jesus Christ.

Foundational Standards

Grace School of Theology seeks to prepare others to proclaim God's Truth courageously to a world that is in need of hope. We want to glorify God by walking in God's grace, ministering God's Word, and equipping God's people.

- ❖ Grace School of Theology strives for excellence.
- ❖ Grace School of Theology believes in the importance and cultivation of Christian character.
- ❖ Grace School of Theology believes in impacting and changing the world for Christ.
- ❖ Grace School of Theology believes in and affirms God's free gift of grace for mankind.

Philosophy of Education

We believe that mankind was created in the image of God and was given the responsibility of caring for all things that God has created (*Genesis 1:27*). We believe that all people have many abilities and that we need to help them to develop these God-given talents. These principles apply equally to men and women, young and old.

Because of our high calling, we need to excel in all educational programs, providing a systematic and comprehensive training in the Word of God from a Cristo-centric perspective. Therefore, it is imperative to have professors and staff that are competent in their respective fields, who receive evaluation regularly, and who constantly seek ways to improve professional skills.

Our Christian philosophy is reflected in the Bible-centered curriculum taught by well-trained and dedicated Christian professors. Our faculty uses textbooks authored by scholarly writers that maintain a commitment to the Bible as the divinely revealed guide for all people.

The faculty teaches and students study without fear of their academic freedom being violated and without fear of any kind of discrimination. Each student is granted the right to learn, to inquire, and to explore without restraint. This freedom is guaranteed when a corresponding liberty of instruction is granted to instructors. These rights are extended to the student and faculty members within the parameters of sound scholarship and within the appropriate framework of Biblical foundations and institutional sphere granted by the Board of Trustees.

Ethical Values and Standards

Grace School of Theology is an institution that emphasizes the importance of the Christian perspective in all of its academic endeavors. At the heart of its mission and purposes is the School's commitment to the values and principles of the Christian faith through grace. By accepting the identity of being Christian, GRACE makes both explicit and implicit promises about the relationship between its words and actions. This means that integrity defines the very core of its existence as an institution of higher learning.

GRACE recognizes that it must demonstrate integrity in its practices and relationships. It is necessary that the School be able to show not only that it has policies and procedures, but also that those policies and procedures reflect the values and practices of its mission.

GRACE demonstrates integrity by its classroom performance, public representations, distribution of information, business practices, contractual arrangements, and relationships with internal and external constituencies. We adhere to the code of ethics accepted by the academic community as well as its specific standards of Christian behavior.

Academic integrity is inherent in the nature of our educational tasks. This is reflected not only in the unique relationship between faculty and student but in the manner in which the School represents itself to the public. GRACE identifies itself as an evangelical Christian institution of higher learning, which indicates that the academic programs are developed and implemented for a perspective that is distinctly Christian. GRACE believes this perspective is consistently expressed in its written documents, academic programs, and in the conduct of its faculty, staff, administration, and students.

Every faculty, staff, and administrator at GRACE is required to be a Christian in practice and belief and must give a statement of faith as part of the overall interview process for employment consideration. Students are informed about the ethics and values of GRACE and agree to abide by the codes of conduct as described in the *Student Handbook*. GRACE believes that Christian values and practices form the basis of all academic and administrative departments.

Doctrinal Statement

The Bible

We believe that the words of the Bible, the 66 books of the Old and New Testaments, are “God-breathed.” They give humankind His authoritative revelation, wholly without error of any kind on every topic discussed in the original writings. We believe that the Bible must be interpreted as language is normally used, recognizing the importance of dispensational distinctions.

(*Psalms 12:6; 119:89, 130; 160; Isaiah 40:8; 55:8-11; Luke 24:27, 44-47; John 5:39, 17:17; Romans 15:4; 1 Corinthians 2:9-10, 13; Ephesians 1:10; 3:9; 2 Timothy 3:16-17; James 1:21; 1 Peter 1:10-12, 23-25; 2 Peter 1:19-21*).

God

We believe in one God eternally existing in three persons: Father, Son, and Holy Spirit, each of whom possess equally all the attributes of deity and characteristics of personality and with each having specific work to perform. We believe that God is a personal being who is the Creator and Sustainer of the universe.

(*Matthew 3:16; John 10:30; 14:10; 14:26; 15:26; Ephesians 1:3-4; 6-7; 13-14*)

Jesus Christ

We believe that God the Son, Jesus Christ, became flesh through His miraculous conception in a virgin by the Holy Spirit and His birth. He is, therefore, perfect and complete deity and perfect humanity, these being united without mixture in one person forever. We believe that He lived a sinless life and voluntarily and vicariously paid for the sins of all mankind by dying on the cross. We believe in the resurrection of His crucified body, in His ascension to heaven, in His present ministries in heaven, and in His future literal return to the earth.

(*Psalms 2:7; 110; Isaiah 7:14; 9:6; Micah 5:2; Matthew 1:18-25; 28:19; Luke 1:26-35; 2:52; John 1:1-3, 14, 18; 3:16; 8:58; 10:30; 17:5; 20:28; 1 Corinthians 15:1-20; Galatians 4:4; Philippians 2:5-8; Colossians 1:14, 15-17; 2:9; 1 Timothy 2:5; Titus 2:13; Hebrews 1:1-3, 6, 8-12; 4:15; 13:8; 1 Peter 1:1; 2:22; 1 John 2:1-2; 3:16; 4:10, 5:20; Revelation 1:17-18; 19-20*)

The Holy Spirit

We believe that the Holy Spirit is God and that He has come to reveal and glorify Christ, to convict sinners of sin, righteousness, and judgment, to regenerate, indwell, seal, and baptize believers into the body of Christ, impart gifts to believers, and to enable them to live holy lives.

(Genesis 1:2; Psalm 139:7; Isaiah 40:13-14; Matthew 1:18-20; 28:19; Luke 1:35; John 1:13; 3:3-8; 6:63; 14:16-17, 26; 15:26; 16:7-15, 13; Acts 2:1-4; 5:3-4; Romans 8:9; 1 Corinthians 2:9, 10, 12; 6:19; 12:13; 2 Corinthians 13:14; Ephesians 1:13-14; 2:22; 4:30; 5:18; 2 Thessalonians 2:7; 2 Timothy 3:16-17; Titus 3:5; Hebrews 9:14; 2 Peter 1:20-21; 1 John 2:20, 27)

Creation

We believe that the Genesis account of creation is to be understood historically and literally and not allegorically or figuratively. We believe that man was created in the image of God and that the first man, Adam, sinned, bringing spiritual death to all, who, therefore, stand condemned and in need of Christ's salvation.

(Genesis 1; Romans 1:20; Colossians 1:15-20; Romans 5:12; Romans 7)

Salvation

We believe that God saves by grace alone, apart from works (whether past or future), those who put their faith in Christ alone as God and Savior from sin. Initial faith resulting in justification and regeneration is not a gift of God. That is, fallen humanity when persuaded by the illuminating and convicting ministry of the Holy Spirit and the drawing ministry of the Father still possesses the capacity to believe in Christ. Such faith precedes regeneration. At the moment of belief, Christ imputes His righteousness to believers and keeps them secure eternally. Based on the promises of God (not works), we believe a person can and should have complete assurance of his or her Eternal Life the moment he or she believes in Christ.

(Isaiah 55:8-11; Matthew 4:4; 26:28; John 1:4, 9, 12; 3:5, 16, 18, 36; 5:24; 6:29; 14:6; 16:8; 17:17; Acts 4:12; 13:38-39; 16:31; Romans 1:7, 16-17; 3:22, 26; 4:4-5; 5:1, 6-9; 6:11-13, 23; 8:2-4, 9, 12-13, 29-30, 32; 10:4, 17; 1 Corinthians 1:2, 8; 6:11; 12:13; 15:1-4; 2 Corinthians 3:18; 5:21; 7:1; Galatians 2:16; 5:13-26; 6:15; Ephesians 1:3, 7; 2:8-9; 4:22-24; Philippians 3:4-9; Colossians 1:22; 2:6, 10; 3:1-7, 16; 1 Thessalonians 2:13; 4:3-4; 5:23; Titus 3:5-7; Hebrews 4:12, 10:10, 14; 12:14; James 1:18; 1 Peter 1:18-19, 23; 2:2, 11; 1 John 1:5-7; 3:2, 5-9; 5:13; Jude 24)

The Christian Walk

We believe that although sinless perfection is not possible in this life, all believers are called to live holy lives in the power of the indwelling Holy Spirit.

(John 17:17; Romans 8:1-17; Galatians 5:13-25; Ephesians 5:26-27; 1 Thessalonians 4:3-4; Hebrews 10:10, 14; 1 John 3:2)

Marriage and Human Sexuality

We believe that all matters of faith and conduct must be evaluated on the basis of Holy Scripture, which is our infallible guide. *(2 Timothy 3:16-17)* Since the Holy Bible does speak to the nature of human beings and their sexuality, it is imperative that we correctly understand and articulate what the Bible teaches on these matters.

We are committed to the home and family as set forth in Holy Scripture. We believe God has ordained and created marriage to exist between one man and one woman, with absolute marital fidelity. The Bible sets forth specific home and family values, which include the distinct roles of husbands and wives, fathers and mothers, and children. It is our firm conviction that we uphold the dignity of each individual as we embrace the unchanging and longstanding principles of scriptural truth.

Based on Holy Scripture and the constant moral teaching of the universal Church, we believe:

Marriage

We define marriage as the legal permanent, exclusive, comprehensive, and conjugal “one flesh” union of one man and one woman, intrinsically ordered to procreation and biological family, and in furtherance of the moral, spiritual, and public good of binding father, mother, and child.
(*Genesis 1:27-28, Genesis 2:18-24, Matthew 19:4-9, Mark 10:5-9, Ephesians 5:31-33*)

Sexual Immorality

We believe that sexual acts outside marriage are prohibited as sinful. Consequently, GRACE members must resist and refrain from any and all sexual acts outside marriage — including but not limited to adultery, fornication, incest, zoophilia, pornography, prostitution, voyeurism, pedophilia, exhibitionism, sodomy, polygamy, polyamory, sologamy, or same-sex sexual acts.
(*Exodus 20:14, Leviticus 18:7-23, Leviticus 20:10-21, Deuteronomy 5:18, Matthew 15:19, Matthew 5:27-28, Romans 1:26-27, 1 Corinthians 6:9-13, 1 Thessalonians 4:3, Hebrews 13:4, Galatians 5:19, Ephesians 4:17-19, Colossians 3:5*)

Sexual Identity

We believe that God created mankind in His image: male (man) and female (woman), sexually different but with equal personal dignity. Consequently, GRACE members must affirm their biological sex and refrain from any and all attempts to physically change, alter, or disagree with their predominant biological sex — including but not limited to elective sex-reassignment, transvestite, transgender, or non- binary “genderqueer” acts or conduct.
(*Genesis 1:26-28, Romans 1:26-32, 1 Corinthians 6:9-11*)

Sexual Orientation

We believe that God created and ordered human sexuality to the permanent, exclusive, comprehensive, and conjugal “one flesh” union of man and woman, intrinsically ordered to procreation and biological family, and in furtherance of the moral, spiritual, and public good of binding father, mother, and child. Consequently, GRACE members must affirm the sexual complementarity of man and woman and resist any and all same-sex sexual attractions and refrain from any and all same- sex sexual acts or conduct, which are intrinsically disordered.
(*Genesis 1:27, Genesis 2:24, Matthew 19:4-6, Mark 10:5-9, Romans 1:26-27, 1 Corinthians 6:9-11, Ephesians 5:25-27, Revelation 19:7-9, Revelation 21:2*)

Sexual Redemption

We believe that all have sinned and fall short of the glory of God and should seek redemption and harmonious relationship with God through confession, repentance, baptism, and faith in Jesus Christ. Consequently, GRACE members must welcome and treat with respect, compassion, and sensitivity all who experience same-sex attractions or confess sexually immoral acts but are committed to resisting sexual temptation, refraining from sexual immorality, and conforming their behavior to GRACE’s Statement of Faith.
(*Matthew 11:28-30, Romans 3:23, Ephesians 2:1-10, 1 Corinthians 10:13, Hebrews 2:17-18, Hebrews 4:14-16*)

Celibacy

We believe that Holy Scripture grants two life-enhancing options for human sexual behavior: (1) the conjugal “one flesh” marital union of one man and one woman, and (2) celibacy. Either is a gift from God, given as He wills for His glory and the good of those who receive and rejoice in

His gift to them. Celibacy and faithful singleness is to be celebrated and affirmed within Grace School of Theology.

(Genesis 1:27-28; 2:18, 21-24; Matthew 19:4-6; Mark 10:5-8; Hebrews 13:4; 1 Corinthians 7:1-8; Matthew 19:12; 1 Corinthians 12:12-13; Romans 12:10; 1 Timothy 5:1-2)

The Church

We believe that the church, the body of Christ, began on the day of Pentecost and is composed of all who receive Christ through faith. We believe God's program for the Church is distinguished from His program for Israel described in Daniel 9. We believe that all believers should assemble regularly in local churches for worship, for observing the ordinances of water baptism and the Lord's Supper, for mutual encouragement and discipline, and for carrying out God's purposes in this world.

(Acts 2:41-42; 10:44-47; 11:15-17; Romans 6:4-5; 12:3-8; 16:1, 5; 1 Corinthians 11:23-31; 12:12-13, 27; 16:19; Galatians 3:27-28; 6:2; Ephesians 1:22-23; 2:16-22; 5:24-25, 30; Philippians 1:1; Colossians 1:18; 1 Thessalonians 1:1; 5:11; Hebrews 10:24-25)

The Future

We believe that the personal and imminent return of Christ to rapture His church will be followed by a period of tribulation on this earth. At the conclusion of this period, Christ will return triumphantly and inaugurate His millennial reign over this earth. We believe in the everlasting conscious blessedness of the saved in the New Jerusalem and the everlasting conscious punishment of the unsaved in the lake of fire.

(Matthew 24:21, 29-30; 25:31, 46; 1 Thessalonians 1:10; 4:13-18; 5:4-10; Titus 2:13; Revelation 3:10; 20:1-6, 11-15)

Satan

We believe that at some time in the past Satan led a rebellion, including a host of angels, against God and was expelled from the heavenly kingdom. Satan, also called other names including the Devil, is a real being who has tremendous, but limited power, and is the true adversary to God's people. Satan is destined to be judged and will endure eternal punishment in the lake of fire.

(Ephesians 6:12; 1 John 3:8; Revelation 20: 1-3)

Institutional Policies

Students are responsible for reading and being familiar with current policies and procedures contained in the Academic Catalog and Student Handbook. There will be no retroactive application of any changes in policies. However, future change may supersede policies and procedures published herein. Policies and procedures included herein apply to Grace School of Theology.

Non-Discrimination Policy

Grace School of Theology strongly believes that it exists to prepare men and women to share the true Gospel of Free Grace to those from “every tribe and tongue and people and nation” (Revelation 5:9). Grace desires to admit and enroll potential and current students who have a thirst for the Word and meditate in it (Psalm 1:1-3), who “fear the Lord” knowing it is “the beginning of knowledge” (Proverbs 1:7), and who are faithful, teachable, and desire to teach others (2 Timothy 2:2), irrespective of their various backgrounds. Grace also understands that those who it employs must agree with its Foundational Statements above all other criteria (2 Corinthians 6:14-15), knowing that God looks on the heart.

Therefore, guided by the Scriptures, Grace provides equal treatment and opportunity to all persons without regard to race, color, national or ethnic origin, sex, age, disability, or veteran status except where such distinction is required by law. This statement reflects compliance with Titles VI and VII of the Civil Rights Act of 1964, Title IX of Educational Amendments of 1972, and Sections 503 and 504 of the Rehabilitation Act of 1973. Furthermore, Grace School of Theology, in compliance with the Age Discrimination in Employment Act of 1967, the Americans with Disabilities Act (ADA) of 1990, Executive Orders 11246 and 11375 and Section 402 of the Vietnam Era Veterans Readjustment Act of 1974, does not discriminate against any employees or applicants for employment on the basis of age or because they are disabled veterans or veterans of the Vietnam era.

This non-discrimination policy covers admission, access, and treatment in programs and activities, and application for and treatment in employment that includes the selection, retention, and advancement of staff, faculty, and administrators. Ultimate responsibility for achievement of equal employment and educational opportunity at Grace School of Theology rests with the President. The President, Vice President of Operations, and the Provost delegates the responsibility and authority to direct these activities.

Honest Communications

Grace School of Theology strives to communicate its programs and policies honestly in all of its publications and in its website. Every effort has been made to ensure that this publication contains only clear, accurate and current information. Readers are invited to bring errors and suggestions for improving this publication to the attention of the Academic Dean. To the extent an inconsistency is found to exist between the information in this publication and the actual policy or procedure, the actual policy or procedure governs.

Nonbinding Communications

No oral or written communication made by any employee of Grace, including faculty, shall be binding on Grace without the express approval of the Board of Trustees or the Executive Leadership Team, as appropriate, and no contract is expressed or implied by this publication or any other Grace informational publication or its website.

Reasonable Accommodation Policy

Grace School of Theology will reasonably accommodate otherwise qualified individuals with a disability unless such accommodation would pose an undue hardship or would result in a fundamental alteration in the nature of its services, programs or activities, or in undue financial or administrative burdens. Changes in teaching techniques occur continually as instructors discover new ways to aid handicapped students. The term “reasonable accommodation” is used in its general sense in this policy to apply to employees, students, and visitors.

Student requests for reasonable accommodation should be addressed to the Dean of Students. A student must self-identify as an individual with a disability and provide appropriate diagnostic information that substantiates the disability. The Student Services Division will then assess the impact of the disability on the student’s academic program and record the required academic accommodations. Individuals who have complaints alleging discriminations based upon a disability may file them with the Dean of Students.

Facilities for the Physically Handicapped

The Grace School of Theology facilities in The Woodlands, Texas are accessible to the disabled using the ramp in the front of the school. All classrooms, offices, and restrooms meet the state requirements for disabled accessibility and are in compliance with the Americans with Disabilities Act.

Disability Access Policy

The Disability Access Policy aims to remove administrative, procedural, and physical barriers that prevent equal access to services for people with disabilities. It is designed to reflect the Seminary's commitment to independent access for all staff, faculty, students, board members, donors, and members of the community. The policy aims to integrate an awareness of disability issues into policies, practices, and procedures in all areas of service provision. It also gives some guidance as to how this might be achieved and links to other policies and strategies where appropriate. It aims to improve access, prevent discriminatory practices, and ensure compliance with the Americans with Disabilities Act (ADA) and other applicable federal and state laws and regulations.

This policy supports a social model view of disability where disability is defined as the loss or limitation of opportunity to take part in society on an equal level due to barriers in society and/or the environment.

General Principles

It is the Seminary's policy to:

- ❖ Actively promote disability awareness and equality ensuring that it continues to be an integral part of our strategy, service delivery and future developments.
- ❖ Continue to audit current provision to ensure that the best opportunities are taken to improve physical access to premises, the built, transport and rural environments, and prioritize future works and refurbishments.
- ❖ Be aware that any change in services might have an effect on service delivery for disabled people.
- ❖ Ensure that current information is accessible and available in appropriate formats.
- ❖ Use all available guidance, examples of good practice and of best value to ensure a corporate response to disability access issues.
- ❖ Involve our staff and customers in the process of developing and delivering the policy and procedures.
- ❖ Develop ongoing training opportunities, monitor, and share examples of good practice.

Contact and Further Information

If you require any further information, advice or guidance please contact the Student Services Division.

Changes to Operations Policy

Grace School of Theology reserves the right to change at any time and without notice any aspect of its operations, including changes to personnel, programs, costs, policies, and procedures. Changes may affect faculty, staff, enrolled or prospective students, or some combination thereof, as the administration determines, and will be published as soon as practicable.

Assessment and Institutional Effectiveness

Grace School of Theology is constantly working to improve our academic programs, student services, and operations. From time to time students are asked to help by completing course evaluations, surveys, and similar questionnaires. These provide rich data on student learning and student satisfaction. Departments also conduct SWOT analyses in order to improve quality, efficiency, and effectiveness. Assessment results and summaries are available on the website.

Student ID and Email Requirement

When communicating via telephone, students will be required to identify themselves with their student ID number, GSOT email, or (birthdate and mailing address) that can be found in their Student Profile in Populi.

Students will be required to communicate with faculty and staff using only their official GSOT student email address when communicating via email.

Family Educational Rights and Privacy Act (FERPA)

Grace School of Theology maintains a variety of records relating to students. The Registrar's Office retains the official file, which includes the student's original application for admission, recommendation forms, transcripts and other pertinent information. These records are available to faculty and staff who have legitimate educational interests.

FERPA is a Federal law that protects the privacy of student education records, both financial and academic. For the student's protection, FERPA limits the release of certain student record information without the student's explicit consent. However, the law also considers some student information to be Directory Information and is considered public. A student is covered by FERPA at the time of his/her enrollment in courses at the seminary.

Directory Information includes: name, address, e-mail address, phone number, dates of enrollment, enrollment status, major, program, academic awards and honors, and degrees received. This means Grace School of Theology can release this information to anyone who requests it.

Educational records are released to outside individuals or agencies only with the student's written permission. The only exceptions are those specifically required in Section 438 of the General Provision Acts. The Student Handbook contains more detailed information about FERPA.

General Academic Policies

Governing Catalog

Governing Catalog means the catalog in effect at the time of first enrollment that states the graduation requirements to which a student is subject. If the graduation requirements change, the student will automatically remain subject to the original governing catalog but may petition to continue studies subject to the new one. In no case may a student revert to an earlier catalog. Students who have not been enrolled for three semesters or more and return will be subject to the catalog at the time of readmission. Students are automatically subject to other revisions such as policies, procedures, etc. Students are encouraged to communicate regularly with their academic advisor regarding their degree plan.

Academic Advising

If you have ministry, personal, or spiritual issues you wish to discuss, please feel free to contact the Student Services Division. All information shared with staff in such cases will be held in the strictest confidence.

Initial academic advisement for new students' first semester is available through the Student Services' personnel who will guide the student toward course registration. Once admitted, the Registrar assigns a faculty-qualified Academic Advisor to each student based on his or her enrolled program, language of study, and location. The name and contact information for the Academic Advisor is communicated to the student in the Registrar's initial acceptance email. All students are encouraged to seek out their Academic Advisor in planning their educational program.

Academic Advisors counsel students on the best sequencing of their course selections based on each student's unique personal needs and help them prepare to complete their chosen academic program within the stated time limit. Each student is responsible for being familiar with and following (as much as is possible) the recommended course sequence for their academic program. Course Progression Charts are found below in this Catalog and are available from the assigned Academic Advisor, appropriate Dean, and/or Registrar.

Academic Advisors have access to students' files that displays contact information, current degree plan and degree audit, a history of documents archived, and comments made to the student since they first applied. Because advisors have years of ministerial experience and are expected to demonstrate a servant's heart, Academic Advisors are encouraged to offer prayer and counsel as the Holy Spirit leads.

Academic Appeal Process

Other than contesting a final grade (see separate policy below), students may appeal academic decisions such as the evaluation of transfer credit and academic dismissal, based on extenuating circumstances, by following the proper steps:

1. Submit a detailed letter, with supporting documentation, to the Academic Dean within ten (10) business days of the decision.
2. The Academic Dean will convene the Academic Committee no later than two weeks after receiving the student's appeal in writing.
3. The Academic Committee will notify all concerned of its decision no later than two weeks after convening. The judgment of the Academic Committee is final.

Classification of Students

The academic year runs from the beginning of the fall semester through the end of the summer semester in the following year.

Graduate Students

- ❖ Full-time graduate students are those enrolled in nine (9) or more credits per semester, at least 18 credits per school year.
- ❖ Half-time graduate students are those enrolled in four (4) credits per semester, at least 8 credits per school year.

Undergraduate Students

- ❖ Full-time undergraduate students are those enrolled in twelve (12) or more credits per semester, 24 or more credits per school year.
- ❖ Half-time undergraduate students are those enrolled in six (6) credits per semester, at least 12 credits per school year.

Definition of Credit Hour

A credit hour is one hour of classroom or direct faculty instruction with a minimum of two hours of out-of-class work each week of a semester. Grace offers classes in 8-week modules and 16-week semesters. Most courses are 8 weeks in length while courses such as biblical languages and internship are 16 weeks long. These classes may be offered completely in the classroom (depending on teaching location), completely online, or a combination of both (hybrid) using asynchronous and/or synchronous video streaming. Faculty members are responsible for developing their course so that it meets the following course-hour equivalency.

Irrespective of the location, mode of delivery, or length of course, for the purposes of calculating an institutionally established course-hour equivalency,

- ❖ A 1-unit course would reasonably approximate a minimum of 45 course hours
- ❖ A 2-unit course would reasonably approximate a minimum of 90 course hours
- ❖ A 3-unit course would reasonably approximate a minimum of 135 course hours

Eight-week, 3-Unit, Module Class Example:

A typical unit of credit equates to approximately 5.6 hours of student work per week (1 hour lecture plus 4.6 hours of homework). For this class with 24 hours of in-class time, another 111 hours of assignments such as reading, research and writing, exam preparation, and online discussion boards would be needed to complete the minimum requirement of 135 course hours. Lecture time may be adjusted accordingly depending on the assignments given in addition to the lectures.

Sixteen-week, 3-Unit, Semester Class Example:

A typical unit of credit equates to 3 hours of student work per week (1 hour lecture plus 2 hours of homework assignments). For this class with 48 hours of in-class time, another 87 hours of assignments such as reading, research and writing, exam preparation and online discussion boards would be needed to complete the minimum requirement of 135 course hours. Lecture time may be adjusted accordingly depending on the assignments given in addition to the lectures.

Acknowledgment and Respect of Grace's Doctrinal Statement

It is expected that a student who applies to the Doctor of Ministry Program at Grace School of Theology has carefully read its Doctrinal Statement and has prayerfully decided that further doctoral education and training at Grace is a benefit to one's ministry.

Grace admits students into all of its academic programs who may not be in total agreement with its theological position on the condition that they acknowledge Grace's beliefs, respect them, and respect fellow students, faculty and staff who hold to the Grace position.

During the learning experience, it is expected that there will be collegial respect for each other's positions within the framework of the authority of Scripture.

Grace welcomes robust critical thinking and discussion as part of its educational philosophy but reserves the right to dismiss any student who causes division or dissention in the classroom, through online discussion boards, or in social media communications.

Academic Preparation

Admission to the Doctor of Ministry program requires a TRACS, Regional, or ATS accredited Master of Divinity degree (a minimum of 90 semester credit hours), or its equivalent, including at least one year (2 semesters) of Greek, with a minimum grade point average of 3.0 (on a 4.0 scale) from an accredited or equivalent institution. Applicants who do not meet these requirements may petition the Admissions Committee for consideration.

The paper must interact with different Christian viewpoints and must utilize at least ten different resources. The paper must be footnoted and follow the *Turabian* (Chicago 8th Edition) style manual.

Students who have completed a graduate thesis (Master's level or higher) in a theological discipline requiring competent exegesis and theological reflection may submit it in lieu of the research paper for consideration in meeting this requirement. This paper will be utilized to assess student proficiency in written English, critical thinking skills, exegetical ability, and theological competence. If upon review this paper does not demonstrate an appropriate level of these abilities, the student may be admitted into the program but will not be allowed to begin work on their final project until improvement has been shown through the papers that will be written in the three Core courses. If the student still has not shown improvement after the three required courses, it will be incumbent upon the student to obtain outside training in these areas and demonstrate proficiency to the Dean of DMin Studies. Only after this happens will the student be allowed to register for their final project.

For more information please refer to the section of this publication titled Non-Credit Programs or contact the Director of the ESL Program at fvillanueva@gsot.edu.

Special Admissions

Ability to Benefit and Undergraduate Probationary Admittance

Grace accepts students into the Undergraduate program, on a limited basis, who have not earned a high school diploma or possess a GED. Applicants who are eligible for Title-IV Financial Aid based on their status as a citizen of the United States and do not possess a GED or valid high school diploma must take and successfully pass the Ability to Benefit Test in order to qualify for those Title-IV benefits. Once a student has completed all the other admissions requirements, they will be accepted on Probationary Status. Applicants who wish to be admitted into the Ability to Benefit program must first take the Ability to Benefit test. Requests to take the test must be made with the Director of Admissions and Enrollment in Student Services. There is an additional fee for this service that is determined by the test administrator.

Certain exceptions may be made for applicants who are not eligible for Title-IV Financial Aid (based on their status as a US Citizen) to be admitted on Probationary Status without taking the Ability to Benefit test. These applicants will not qualify for Title-IV benefits.

Undergraduate students admitted on Probationary Status must complete 12 undergraduate credits of satisfactory work with a minimum overall grade point average of 2.0 in order to be changed from Probation Status to Full Admission status. The Registrar's Office will monitor student's progress in the student information system (grades and progress) and keep the student's Academic Advisor informed of the status.

Through various ministries, facilitated by Student Services, students in the Ability to Benefit program may obtain tutorial assistance in areas such as academics, ministry and life matters. The aim of the seminary is to provide learning helps in order to develop a wide range of life skills that will prove beneficial to the student's personal and professional purposes and goals. Writing tutors are available for all students through the Writing Center.

Graduate Probationary Admittance

If a graduate student's undergraduate grade point average is below 2.0, then the student may be admitted on a limited Probationary Status. Graduate students admitted on probation must complete 9 graduate credits of satisfactory work with a minimum overall grade point average of 2.0 in order to be changed from Probation Status to Full Admission status. However, a graduate student admitted on probation to the ThM program must complete 9 graduate credits of satisfactory work with a

minimum overall grade point average of 3.0, in order to be changed from Probation Status to Full Admission status. The Registrar's Office will monitor all students' progress in the student information system (grades and progress) and keep the student's Academic Advisor informed of the status. The student's status will be stated in the acceptance letter.

Provisional Entrance

If an applicant wishes to take classes within a semester BEFORE the student has been officially accepted, the Applicant will need to submit an Admissions and Exception Petition explaining the reason why the applicant wishes to be considered for entrance without all necessary documents.

Provisional Entrance is only for students applying for either the Undergraduate or Graduate Programs. The Admissions and Exception Committee will vote on provisional entrance and notify the applicant of the decision.

If an applicant is approved for Provisional Entrance, then all application documents must be received within one semester. Students may not register for subsequent semesters until their application is complete. The Admissions Department will monitor and collect the appropriate application documentation for students who are accepted provisionally.

Special Status

If an applicant does not intend to earn a degree or enroll in an academic program but would like to earn credit, he may be admitted as a special status student. These students must meet the same entrance requirements as degree-seeking applicants. Course grades are based on the same criteria applied to students in degree programs. Students may later apply to enter a degree program based on the entrance requirements in this publication. If the application into a degree program is approved, credits earned under special status will be evaluated for transfer, based on the rules for transfer credit.

English Language Proficiency

All applicants and enrolled students whose primary language is not English and who desire to take courses taught in English must demonstrate English language proficiency, regardless of citizenship. Such students must complete an English language assessment before enrolling in Grace or registering for courses taught in English.

Grace has access to the ITEP exam (International Test of English Proficiency) at a reasonable price. This exam measures listening, reading comprehension and grammar. All students must have a comprehensive overall score of 3.5 or above in order to enroll at Grace.

Official score reports for alternative language tests approved by Grace, such as TOEFL, TOEIC, PTE, IELTS, FCE, CAE, and CPE may be submitted to the Director of ESL Program for further evaluation. A prospective student with an alternative test score equivalent to the overall iTEP level of 3.5 is eligible for full admission in graduate programs.

Applicants to Grace with a satisfactory assessment score may continue the matriculation process and take courses as soon as enrollment is completed. Grace requires a passing score as a condition for full admission status and/or continuation and reserves the right to make the final determination in such cases. Students who fail to show sufficient mastery of English (or other subjects) will be required to do further preparatory work until registering for additional courses.

Applicants to Grace with an unsatisfactory assessment score have two options:

1. They may take English language courses or undergo ESL/EFL training in their own country. The courses may be from adult or continuing education programs, or equivalent courses for credit at an internationally recognized college or university. *The programs of these ESL training centers must have a CEFR-based curriculum.* They may also take classes and/or tutorials in an internationally accredited language school and must present the following documents:
 - ❖ Proof of taking the course or training and passing it, such as transcript, certificate, or letter from the tutor/teacher with the dates of participation and completion, along with their overall CEFR score
 - ❖ Certification of ESL training center/tutor/instructor as an accredited center of CEFR-based curriculum

Upon submission of pertinent documents, they may take the iTEP exam again, free of charge.

2. They may complete prescribed courses in the Grace ESL Program and pass post-program assessment. Grace School of Theology has a non-credit Academic ESL program. For more information, please refer to the section of this publication titled Non-Credit Programs or contact the Director of the ESL Program at fvillanueva@gsot.edu.

Applicants are exempt from English language proficiency assessment when any one of the following is true.

- ❖ The applicant holds an undergraduate or graduate degree from an American college or university deemed acceptable by Grace.
- ❖ The applicant enrolls in a non-English degree program only, such as Spanish or Russian.
- ❖ The applicant has worked for three or more years in an American company, ministry, and/or agency that has used state requirements for foreign workers, or in any similar agency from United Kingdom, Ireland, Australia, New Zealand, or Canada.
- ❖ The applicant speaks English as a first language and was raised in English-speaking countries like the United States, Ireland, United Kingdom, Australia, New Zealand, or Canada.

Dual Enrollment

Students who desire to enroll in a graduate program and who have up to six credits to complete before they receive their undergraduate degree may concurrently enroll in a graduate degree program and register to take up to six credits per semester for a maximum of two semesters.

Students must meet (no exceptions) the cumulative GPA requirement for admission in good standing into a graduate program to be eligible to register under dual enrollment for that program. Students must meet all other admissions requirements as stated herein.

Students must provide, along with their application, a current official undergraduate transcript (sent directly from their school to the Registrar's Office), a letter from their current Registrar's Office indicating their current Grade Point Average, the specific degree they are pursuing, the estimated date of undergraduate graduation, and the number of remaining credit hours for degree completion. Students must complete the *General Petition Form* requesting Dual Enrollment and submit it to the Registrar's Office for final approval. Once all documents are received by the Registrar's Office a decision will be made by the Academic Dean.

Exceptions to General Admissions Requirements

Applicants for the degree programs may apply for an exception to the General Admissions Requirements by submitting a detailed explanation on an Admissions and Exception Petition form to the Admissions Office for Approval from the Admissions and Exception Committee. Details must contain:

1. What exception is requested, and,
2. Rationale why Grace should grant the request.

Transfer of Credit

Grace School of Theology makes all attempts to be just, equitable, and apply the guidelines for transfer equally. The school generally accepts transfer credit from institutions of higher education that have accredited or pre-accredited status through an accrediting agency that is approved by the U.S. Department of Education, or its equivalent, such as qualified foreign institutions of higher education. The accredited status of the institution is important when considering the transfer of credit, but it is not the sole determining factor.

The passage of time is not a factor when determining the transferability of credits. However, students desiring to transfer in biblical languages may do so if the courses completed are within ten years of applying to Grace. Students who have completed biblical language credits more than 10 years ago, may take a challenge exam and thus enable Grace to accept those credits previously completed if the exam is passed.

Transfer from unaccredited institutions is typically very difficult unless Grace has already verified comparability. The Provost's Department has a list of such schools that have been verified. Students should be aware that there are limits to the number of transfer credits. In general, up to 50% of any given graduate program and 75% of any undergraduate program can be transferrable. For the maximum allowable transfer credit for each program, please refer to the appropriate academic program description. Any undergraduate credit awarded by examination, on the bases of certificates, or by assessment of prior learning, must be within the guidelines of the Council for Adult and Experiential Learning (CAEL). Results will be added to the student's permanent file. Grace does not award any credit for prior experiential learning at the graduate level.

Students are responsible for ensuring that official transcripts of their credit are sent directly from the institution to the Registrar. Unofficial transcripts will not be officially evaluated. Students should be aware that reasons for the refusal of transfer credit

are course-to-course incompatibility, the institution's accredited status, course description and requirements, final grade, etc. No credit will be awarded until official transcripts have been received and evaluated. Current students who desire guidance on transferring Grace credit to another institution are encouraged to contact the appropriate Dean or the Registrar's Office. The acceptance of the transfer of credit from Grace is determined by the receiving institution and not by Grace.

Transfer of credit will be determined based on an evaluation of the course description and/or course syllabus and its comparability and equivalency with coursework and/or the purpose of the program at Grace. Coursework must be validated through an official transcript and must be for work of "C" grade (2.0 on a 4.0 scale) or higher for graduate (CC, MM, MAC, MA(BS), MAMC, and MDiv) and undergraduate credit and a "B" grade (3.0 on a 4.0 scale) or higher for ThM and DMin credit.

Exceptions to these guidelines may be granted. Questions regarding the transfer of credit should be addressed to the Academic Dean. Students may appeal the evaluation of transfer of credit. Please see the section in this Catalog entitled *Academic Appeals Process*.

Diploma and Transcript Verification

As a direct response to the increase in the number of online high school and college diploma issuing companies (Diploma Mills), the federal government has suggested that each Title IV issuing educational institution develop a standard policy to better identify valid high school and secondary education transcripts. While we are fully aware that a traditional high school degree may not be obtainable for all, we strongly suggest completing a state issued GED as an alternative if the traditional high school completion option is not realistic.

If we suspect that a transcript submitted is not from a legitimate school (such as a diploma mill/degree mill), we will proceed in the following manner:

1. If the Applicant is applying to be a part of the Graduate Program, the Registrar's Office will look up on the Council for Higher Education Accreditation site (www.chea.org) for the name of the school where the Applicant received his/her bachelor's degree. If the name of the school does not appear on the list, then the Registrar will research further to verify accreditation and then supply the official transcript to the Graduate Dean for further evaluation.
 2. If the Applicant is applying to be a part of the Undergraduate Program, the Registrar's Office will supply the Applicant's official transcript to the Undergraduate Dean for further evaluation.
- ❖ Below are some key items that must be listed on the high school transcript for Grace to certify it as valid:
 - Name, address and phone number of the high school from which you graduated
 - Four (4) years of high school credits
 - Graduation date
 - School seal and/or signature of school official
 - High school diplomas may only be used for verification of high school completion if special circumstances prevent the submission of the official high school transcript.
 - ❖ There are also some key items that Grace will look for in determining the validity of an online diploma:
 - Was the diploma obtained from an online high school that does not operate in the state of the applicant's primary residency?
 - Did the student pay a sum of money (other than standard transcript request fee) in order to obtain the diploma?
 - Was any work required in obtaining the diploma and can the student show proof of the work that was completed?
 - Is the high school accredited by an agency approved by the U.S. Department of Education or another equivalent accrediting body?
 - Is the diploma recognized or approved in the state from which it was granted?

If it has been determined that an applicant's transcript is submitted from a school that is not legitimate, then the Admissions

Committee Representative will contact the Applicant and let him/her know about the discovery. Grace reserves the right to be cautious in accepting high school transcripts that may not meet the requirements as put forth by the federal government in helping to determine eligibility for Title IV funding. The applicant may be instructed to submit a petition to be accepted under the Ability to Benefit status.

Advanced Standing

Applicants who have graduated from a Bible college with a degree in Bible or biblical studies, or possess an equivalent biblical studies degree, and who enroll in the Master of Arts in Biblical Studies (MA(BS)) program may be eligible for up to 12 units of advanced standing, and students who enroll in the Master of Divinity (MDiv) program may be eligible for a maximum of 24 units of advanced standing, based on courses taken at the undergraduate level. Successfully completed courses comparable to the 500-level courses in the MA(BS) or MDiv programs at Grace may receive advanced standing. Courses for which advanced standing is sought must be equivalent in both content and theological viewpoint to courses taught at Grace and must have been earned with a grade of C+ (2.5 on a 4.0 scale) or better.

Transfer of General Education (GENED) Credit

Students may transfer an appropriate number of General Education credit into the AABS and BABS Degree Programs. The AABS requires that students complete 18 credits, and the BABS requires that students complete 30 credits of GENED. The general education core includes a minimum of three semester hours in each of the humanities/fine arts, behavioral/ social sciences, communications, and natural sciences/math.

Core Components	Sample courses that qualify	Minimum Number
Humanities/Fine Arts	Humanities, Music, Art, Philosophy, Foreign Languages	3
Behavioral/Social Sciences	Anthropology, Economics, Geography, Government, Psychology, Sociology, History	3
Communications	English, English Composition, Speech, Communications	3
Natural Sciences/Math	Any Mathematics, Biology, Chemistry, Geology, Environmental Studies, Physics	3
Other acceptable GENED transfer credit	Accounting, Computer Technology, Literature	

Student Orientation

All incoming students are required to participate in Student Orientation at least once and are encouraged to attend as many times as possible in order to remain informed regarding important matters. These events will cover major student topics from the Student Handbook as well as from the Academic Catalog (e.g., student life and conduct, staff and faculty, academic policies and advisors, financial information and student record, library services, and other information). Recorded archives of the sessions are available to students who are unable to attend or those who desire to review its contents. Additional tutorials related to systems and operations are available to help students understand the information systems utilized by the Seminary. These archived videos will be available through the student information system, as well as through other avenues of communication to students, as needed.

Registration and Enrollment

Enrollment Deadlines

The **open registration period** normally begins nine weeks before the first day of the coming semester and lasts four weeks.

The **late registration period** normally begins five weeks before the first day of the coming semester and lasts for two weeks.

During Fall Registration, students register for Modules 1 and 2 classes. During Spring Registration, students register for Modules 3 and 4. During Summer Registration, students register for Module 5.

Enrollment Process

A student is enrolled in a course when he/she has registered and has final approval from the Registrar. The registration process includes the following steps.

1. Enroll in Populi.
2. Once enrolled, the Registrar will verify that the courses selected are within the student's academic program and still needed. If there are questions regarding the student's choices, the Registrar will notify the student's Academic Advisor for advice, clarification and approval.
3. Once final approval is given by the Registrar the student is billed and notified by the Bursar. Registration is not complete until all invoices are paid (current) or you have made acceptable arrangements with the Bursar.

Adding and Dropping Courses

The processes are important for enrolling and withdrawing (adding and dropping) students from a course according to rules formulated to maintain orderliness and academic quality, with lawful refunds of tuition and fees when applicable. No late fees will be charged against a student during the open registration period. However, fees will apply after the closing date of open registration. Contact the Bursar for more information.

Adding a Course

A student may add a course according to the deadlines stated in the Academic Calendar and upon approval by their Academic Advisor. This is to ensure students have enough time to order and receive textbooks and to prepare for the first class session. To add a course after the Registrar has confirmed a student's registration the student must contact the Registrar's Office.

Dropping a Course

Students are not considered as 'dropped' from a course if they:

- ❖ No longer attend the course; or
- ❖ Communicate their desire to drop the course other than submitting the Withdrawal Drop Form to the Registrar; or
- ❖ Communicate their desire to drop the course to an employee or faculty member, other than the Registrar (or his or her assistant).

If a student does not attend a course for the first two weeks, they will automatically be dropped by the Registrar. Only 75% of the course's tuition is refundable. The Administration Fee and Technology Fee are non-refundable.

If a student stops attending, then the Registrar will apply the Student Attendance Policy to determine the last date of attendance and will assign the notation F/A (Failure to Attend) to the student's record. Students who do not use the Withdrawal Drop Form are not eligible to receive any refunds.

Officially Dropping a Course

Official drop means that the approved procedure to withdraw from a course was followed by the student. To drop a course during any registration period, the student must contact the Registrar. Once registration has ended, the student must submit the Withdrawal Drop Form and send it to the Registrar. This applies to all courses, irrespective of delivery mode or course length.

Student Course Overload

The maximum course load per semester in graduate programs is 14 credits. The maximum course load per semester in undergraduate programs is 17 credits. Any student who desires to enroll beyond this maximum course load must first gain the approval of their Academic Advisor and final approval from the student's Dean.

Frequency of Required Course Offerings

Grace makes every attempt to offer a wide range of courses at its locations and online synchronously and via archived video (asynchronously). Some courses are offered multiple times per year, but the majority are offered one time per academic year. Following the appropriate Course Progression Chart is important to follow in order to complete the desired academic program in a timely manner.

Course Sequencing

Some courses within programs contain prerequisite requirements. Students are responsible for reading the course descriptions carefully, determining which courses have prerequisites, and are responsible to register for courses in their required sequence. Course Progression Charts are found below in this Catalog and are available from the assigned Academic Advisor, appropriate Dean, and/or Registrar. Students should become familiar with and follow (as much as possible) the recommended course sequence for their academic program.

Independent Study

Permission may be granted for a student to enroll in a regular course through Independent Study. Students who take courses in this manner lose the benefit of classroom interaction with the professor and other students. Therefore, Independent Studies are granted only in extenuating circumstances and are not to be undertaken solely for personal convenience. A request for an Independent Study should be submitted via General Petition to the Registrar during the registration period. An appropriate faculty member must be willing to teach an independent study before approval is given by the appropriate Dean. Grace cannot guarantee that a suitable faculty member will be willing and/or available at the time a student desires to take an Independent Study course.

Matriculation

Program Completion Limits

Grace recognizes that the majority of its students are adult learners with very busy schedules. We encourage students to take courses and complete programs at a reasonable, but at a constant pace in light of family, work, and ministry responsibilities. Maintaining a constant and continuous pace toward the completion of any program will create better success as the student grows spiritually, becomes more solidly grounded in the Scriptures, and becomes more and more effective in ministry. With this in mind, the following limits are in place to program completion.

From the initial semester of acceptance into Grace:

- ❖ All work leading to a Certificate must be completed within three years.
- ❖ All work leading to the DBS, AABS or MA(BS) degree must be completed within six years.
- ❖ All work leading to the MDiv degree must be completed within eight years.
- ❖ All work leading to the BABS, ThM, DMin degree must be completed within ten years.

Periods when students have petitioned and received a 'Leave of Absence' will not count toward the limit. Extension of any of these limits requires a recommendation from the student's academic advisor and approval from the Academic Dean, in consultation with Student Services, as appropriate.

Change of Program

The process of changing to/from a certificate or degree is a formal procedure requiring official approval and documentation. Students must submit a Program Change Request Form to the Registrar's office. Approval from the Academic Dean is required. Students should consult with their academic advisor first of their intention to change for help with this process. Students changing degrees within the seminary shall meet the same entrance requirements as students seeking admission to Grace from outside the seminary who have completed the same number of semester credits. When students change to a different academic program, they come under the Catalog that is in effect when that change is made.

Withdrawing from the School

Any student desiring to permanently withdraw from Grace School of Theology must complete the online General Petition, check the box for withdrawing from the school, and include the starting date of the withdrawal. This is not the procedure for dropping an individual course. In order to drop a course please refer to the section titled *Dropping a Course*.

Readmission

General Readmission Process

Readmission of returning students is subject to review by the administration. A student who withdrew from Grace, has graduated, has been dismissed for academic or disciplinary reasons from Grace, or has been absent for 6 or more consecutive semesters (without an approved leave of absence), and desires to be re-admitted, must reapply.

Students who do not apply for and are approved for a leave of absence and have been absent for 3-5 consecutive semesters do not need to reapply for admission to the seminary, however they will be subject to the current catalog at the time of their return.

- ❖ Absent: 6+ semesters without approved leave of absence = Readmission required and subject to latest catalog program requirements
- ❖ Absent: 3-5 semesters without approved leave of absence = No readmission required but subject to latest catalog program requirements
- ❖ Absent: 3-6 semesters with approved leave of absence = No readmission required and subject to original catalog program requirements

If a student withdraws from all courses during the first two weeks of a semester, the semester is included in the withdrawal or absent period.

The Readmission Application requires a student to provide transcripts from all schools attended subsequent to withdrawal from Grace, a recommendation from the applicant's pastor or church, and a brief essay by the applicant on his/her activities and spiritual growth since withdrawal from Grace School of Theology. The Readmission application must be completed (required documents included) by the application deadline.

For questions regarding the readmission application please contact the Admissions Office at admissions@gsot.edu.

From Leave of Absence

A leave of absence may be permitted for a period of up to 6 consecutive semesters. Students desiring a leave of absence must file a General Petition form with the Registrar. When students on an approved leave of absence desire to return to Grace they need to complete another General Petition and submit it to the Registrar for registration materials. They do not need to reapply for admission to the seminary if they enroll before the 7th semester registration period ends.

Students, when they return, will register for classes in the same manner as a continuing student and continue under the Catalog that was in force when they left. Students who take a leave of absence are encouraged to discuss plans for their leave with their academic advisor prior to leaving the seminary.

If a student withdraws from all courses during the first two weeks of a semester, the semester is included in the leave of absence period.

After Academic or Disciplinary Dismissal

A student who has been academically dismissed may apply for readmission only after a full academic year (three semesters). He then must submit the General Readmission requirements (as stated above), give evidence of potential for academic success, and receive approval from the Academic Dean. The student returnee will be on probationary status and should pass all the courses while on probation. His GPA after three semesters should be 2.0 or above.

A student who has been dismissed for disciplinary reasons may apply for readmission after three semesters. He then must submit the General Readmission requirements (as stated above) and receive approval from the Academic Dean.

“50% Rule” – Limitation of Courses Taken at Teaching Sites

Students enrolled in any program must take less than 50% of their program’s courses (from a live professor) at an extension site or any combination of extension sites. Conversely, students enrolled in any program must take 50% or more of their program’s courses at the main campus, online, streaming video (synchronous or asynchronous/archived), or any combination thereof. The Registrar monitors these numbers and will notify students accordingly.

Coursework

Attendance

Grace School of Theology believes that interaction between the professor and students is a vital part of training. This interaction may occur in the classroom and/or online. All classes utilize Canvas as the online Learning Management System (LMS), whether the student is attending in the classroom, only online, or a blend of both. All students are expected to participate in/attend the course weekly. Faculty prepare assignments that are typically due on a weekly basis. Attendance at Grace is defined as academic participation in the coursework such as:

1. attending class (on-ground) and/or watching the lectures synchronously (live) via *Canvas/BlueJeans*
2. discussion boards (DB)
3. completing tests and quizzes
4. submitting any other assignments as required in the course syllabus

Clarifications:

1. Student communication (email or texting) to the professor does not in itself constitute attendance.
2. Those who are unable to watch videos synchronously must submit at least one of the required assignments to Canvas to be considered as attended.
3. Watching videos asynchronously will not be used as a basis for attendance unless the class requires its students to report their watching to Canvas in a verifiable manner.

If a student has planned absences for personal reasons, they should notify their professor as soon as it is known so that the student can work ahead and not fall behind. Professors will take into account personal, family emergencies, but it is the student’s responsibility to notify the professor as soon as possible of any potential disruption in their studies.

If a student does not attend a course for the first two weeks, he will automatically be dropped by the Registrar and the Bursar will adjust his invoice. The student is still responsible to pay for 25% of the course’s tuition, plus the technology fee and administration fee.

If a student stops attending, then the Registrar will apply the Attendance Policy to determine the last date of attendance and will assign the notation F/A (Failure to Attend) to the student’s record. Students who do not use the Withdrawal Drop Form are not eligible to receive any refunds.

Module Classes (8-weeks)

Students enrolled in modular classes (8-weeks) who do not attend (as defined above) for 14 days in succession will receive a final grade of F/A (Failure to Attend) for the class.

Semester Classes (16 weeks)

Those students enrolled in semester-long classes who do not attend for 21 days in succession will receive the same final grade of F/A.

Note: A student's GPA and financial aid benefits (if applicable) will be affected when a student receives the F/A grade. The professor determines attendance and is responsible for reporting attendance to the Registrar on a weekly basis.

Intensive Classes (3-5 days)

Intensives are defined as the presentation of lectures with appropriate assignments within an 8-week Module, condensed for 3-5 days. Professors who teach intensive courses determine attendance and are responsible for reporting attendance to the Registrar on a regular basis. Student communication (email or texting) to the professor does not in itself constitute attendance. Students enrolled in an intensive who do not attend (as defined above) for 14 days in succession will receive a final grade of F/A (Failure to Attend) for the class. A student's GPA and financial aid benefits (if applicable) will be affected when a student receives the F/A grade.

Academic Integrity

Plagiarism

According to the American Heritage Dictionary, 2nd College Edition, plagiarism is defined as "taking and using as one's own the writings or ideas of another." Plagiarism includes failure to use quotation marks or other conventional markings around material quoted from another source, paraphrasing a specific passage from a source without indicating accurately what that source is, and/or letting another person compose or rewrite a student's written assignment.

Anti-Plagiarism Software

Grace utilizes anti-plagiarism software within the Canvas LMS. Assignments submitted by students will be checked by the *Turnitin* software to look for content that is copied from other primary sources or other students' work. Professors will then look for proper footnoted citations in Turabian format.

Falsifying Information

Falsifying information includes submitting another's work as one's own, or otherwise providing false or misleading documentation.

Other Forms of Academic Dishonesty

During examinations, academic dishonesty includes referring to written information not specifically permitted by the instructor or syllabus, receiving unauthorized written or oral information from a fellow student or proctor and/or stealing, buying, selling, or transmitting a copy of any examination.

Any student proven to have committed a type of academic dishonesty such as plagiarism, cheating, or falsifying information will result in disciplinary action depending on its severity and pattern. First infraction of academic integrity will result either an automatic zero for the assignment or, at the discretion of the faculty member, resubmission of the assignment with a grade reduction. Second infraction will result in automatic failure of the course. Third infraction will result in academic dismissal. After one year from the dismissal, the student may be readmitted to his or her program on the condition that any further infraction results immediate and permanent expulsion from school.

Copyright Policy

Grace School of Theology waives its right to all copyright in papers, theses, and dissertations written by a student to earn credit in Grace courses or otherwise to satisfy the degree, certificate, or program requirements.

Grade Reports

Faculty members are required to submit final grades to the Office of the Registrar within two weeks of the completion of modular and semester courses. Student grades will be processed and recorded in the student's electronic file. All grades will be available for the student's viewing through their student profile on the Populi system.

Grading System

The grade point average (GPA) is a numerical representation of a student's overall academic achievement. It is obtained by assigning point values to specific grades and multiplying these values by the number of semester hours received in that course.

The total number of grade points earned for one semester or for all semesters at Grace School of Theology is divided by the total number of semester hours.

Grades of I and WP are not assigned grade point values and are not used in the computation of the grade point average. A grade of WF is assigned a grade point value of zero (0). At the graduate level (not including ThM), no points are given for a grade lower than a C- (1.7 grade points) and at the undergraduate level, no points are given for a grade lower than a D- (0.7 grade

points). At the doctorate level and in the ThM graduate program, no points are given for a grade lower than a B- (2.7 grade points). Any required failed course must be retaken until passed. The retaken grade will automatically replace the original failed grade.

The grade point values are as shown in the following chart. The F/A grade (Failure to Attend) is assigned when students have not participated in the course for 14 days in succession in a modular course and 21 days in succession in a semester-long course. A grade of F/A is assigned a grade point value of zero (0).

A + 99-100	B+ 91-93	C+ 83-85	D+ 75-77	F 0-69 Undergraduate	AUD Audit	I Incomplete
A 96-98	B 88-90	C 80-82	D 72-74	F 0-77 Graduate	WP****	IP Class in Progress
A- 94-95	B- 86-87***	C- 78-79**	D- 70-71*	F 0-85 Doctoral	WF*****	F/A Failure to Attend

* D- is the lowest passing grade at the undergraduate level.

** C- is the lowest passing grade at the graduate level (not including ThM).

*** B- is the lowest passing grade at the doctoral level and in the ThM graduate program.

Honors by Program

Graduate Honors	Required GPA*
Highest Honor	4.00
High Honors	3.85-3.99
Honors	3.70-3.84

Undergraduate Honors	Required GPA*
Highest Honor	3.80-4.00
High Honors	3.65-3.79
Honors	3.50-3.64

*The required GPA is calculated using grade points earned from only Grace School of Theology courses. It is not calculated using transfer credits from other institutions.

Coursework Extensions/ Incompletes

In the case of serious illness, family emergency or other extenuating circumstances, students may request an extension that will allow them to complete their coursework beyond the end of the course. The request for extension must be approved in advance by the instructor for the course and may be granted for up to 30 days beyond the end of the course. Instructors are not obligated to approve any petition of extension. If an extension is approved, the student will be given a temporary incomplete for the course. If the student fails to complete the work by the end of the extension, the incomplete will be changed to a failing grade, unless the professor provides a different final grade. A student may not enroll for the following semester with more than two incompletes.

Academic Warning, Probation and Dismissal

The student's academic record is reviewed each semester. Graduate students in CC, MM, MAC, MA(BS), MAMC, and MDiv programs and undergraduate students are considered "in good standing" when they maintain a minimum 2.0 grade point average and when ThM students maintain a 3.0 grade point average.

Once a student falls below the minimum GPA, the following semester he/she will be on **Academic Warning**. If after one semester the student is not above the minimum, but has improved their GPA, he/she may continue on Academic Warning.

If a student has not improved their GPA, then they will be put on **Academic Probation** for one semester and their respective Dean must approve their course registration.

If no improvement has occurred after 2 semesters of probation, then the student will be dismissed.

If a student is dismissed for not meeting academic standards, then the student may appeal by using the Academic Appeals Process.

A student who has been academically dismissed may apply for readmission only after a full academic year (three semesters). For further details, see the section in this catalog on **Readmission**.

Contesting a Final Grade

Students have up to 30 days to contest a grade after its issuance. To contest a grade, the student must take the following steps.

1. Meet with the professor and ask to reconsider the grade based on the possibility that, in light of the course requirements as defined in the syllabus, a mistake may have been made, or to reconsider the grade based on other facts that the student believes to be relevant.
2. If the professor changes the grade, the professor will notify the Registrar who will update the grade in Populi. If the professor does not change the grade, the student may appeal the decision to the Academic Committee.
3. Appeal the decision to the Academic Committee no later than two weeks after the professor's decision by stating the case in writing and submitting it and any supporting documentation to the Academic Dean.
4. The Academic Dean convenes the Academic Committee no later than two weeks after receiving the student's appeal in writing.
5. The Academic Committee notifies all concerned of its decision no later than two weeks after convening. The judgment of the Academic Committee is final.

Satisfactory Academic Progress

Quantitative Academic Progress

- ❖ Students must satisfactorily complete a minimum of 67% of the cumulative number of credit hours attempted each term.
- ❖ Transfer credits on the student's record are included as attempted/completed hours when computing the student's completion rate. Remedial credits are also included in the calculation of the cumulative completion rate.
- ❖ Course and/or program withdrawals during the drop/add period will not be counted in the calculation of academic progress.
- ❖ Grades of F, WF, and I are not considered as satisfactory completion and will count against the student in calculating the completion percentage.

Qualitative Academic Progress

In order to meet satisfactory academic progress requirements for Federal Aid, Veteran Benefits, and Institutional Scholarships a student must maintain a cumulative grade point average (GPA) as outlined below:

1. Graduate degree students enrolled in the Master of Ministry, Master of Arts in Chaplaincy, Master of Arts (Biblical Studies), Master of Arts in Military Chaplaincy, and Master of Divinity must maintain a minimum cumulative grade point average of 2.0 for all credits attempted. Graduate Degree students enrolled in the Master of Theology must maintain a 3.0 for all credits attempted.
2. Undergraduate students must maintain a minimum cumulative grade point average of 2.0 for all credits completed.

If a coursework extension is approved, an Incomplete will be given for 30 days and will not be considered in the GPA. If the Incomplete is changed to Failing, it will be calculated into the GPA.

Withdrawal during the first five weeks of an 8-week course or first eight weeks of a 16-week course will be marked as WP and will not be calculated into the GPA. Withdrawal after five weeks of an 8-week course or eight weeks of a 16-week course will be marked as WF and will be calculated into the GPA.

If a course is repeated resulting in an improved grade, it will replace the previous grade and be calculated in the GPA.

Taking Courses for Audit/Personal Enrichment

Most of our courses may be taken for personal enrichment rather than for credit. Taking a course for “enrichment” is the same as “auditing a course.” The enrichment student does not complete any of the assignments for the course, but if any material is completed it may not be graded depending on the availability and discretion of the professor.

Audit/personal enrichment students do not have access to course materials within the Canvas LMS. Courses taken for enrichment do not count towards any degree or certificate program.

If the student wishes to convert an enrichment course to a credit course, he or she must request to do so during the first two weeks of the course. The student must make up any previously assigned material, pay the difference in tuition and fees due for credit enrollment, and otherwise comply with all applicable requirements of the seminary and the professor. Further, conversion of a course taken for enrichment to a credit course is ultimately up to the discretion of the professor teaching the course and the student’s Dean.

If a student wishes to convert a credit course to an enrichment course, he or she must request to do so before the withdrawal date for that particular course, by submitting the Course Status Change Form. There is no refund of tuition or fees for this change.

Technology Services

The Grace School of Theology (Grace) Technology Services (TS) department plays an integral role in a student’s education process. TS facilitate the use of current and emerging information and educational technology resources that promote excellence in teaching, learning, research and the administrative operations of the institution. Additionally, the TS department provides support with all Grace systems.

In addition to participation in the physical classroom, Grace provides two online options for students using a video conferencing system. Firstly, this innovative conferencing feature enables students to interact with the class in real-time (live streaming) and secondly by viewing the archived (previously recorded) videos of the interactive class sessions.

Grace is a cloud-based institution; therefore, **Internet connectivity is necessary to access Grace Technology Systems**. Even for on-site courses with students participating in the physical classroom, professors will provide course work and assignments via the online Learning Management System (LMS). All students are expected to check their email regularly and turn in assignments within the LMS.

Grace’s TS Support Team can help reset passwords, locate course syllabi and other technological concerns with Grace systems by emailing support@gsot.edu.

Urgent assistance during class time is available by phoning our support hotline at 1-832-610-3723.

More information on Technology Services and Resources may be found in the Student Handbook.

Library Resources

All currently enrolled Grace students have access to wonderful library resources and services. With two librarians and an excellent student/librarian ratio, students can speak to a librarian for any research issues. The library is located at the North Campus where you can reach your librarians by email, phone, or in person.

Your Grace School of Theology Librarians are eager to help you achieve all your educational goals. The Librarians can help you understand your assignments, limit your topic, and find research materials in physical and electronic libraries. In fact, in graduate school, many students say that the librarian is their best friend!

Visiting the Library in Person

The Grace Library contains thousands of books and eBooks that are appropriate to biblical and theological study. It also contains books appropriate to life as the pastor of a church and a minister of the Gospel. Other appropriate materials are included. You can find the library catalog by going to the GSOT.edu website where the library is listed under Students, Academics, and at the bottom of the page under Library Login. Library resources and databases are also available through every course in Canvas. You can find a link in the left-hand column of every class homepage. In the Grace library collection, you will see books, videos, and audio resources to meet your research needs.

The Grace School of Theology Library offers numerous databases containing articles in Spanish for college-level research. These databases can be accessed through the school's learning management system (Canvas). The Library also offers an online catalog of online books and articles in Spanish that can be found at <https://cloud.collectorz.com/gracespanish/books>.

Electronic Resources

The best sources for college research are books and journals. The Internet by itself is a confusing and misleading source, but professional databases can be relied on for much more reliable information. Since the advent of the Internet, e-books and journal articles can best be found in databases. Students may use password-protected databases for research needs at any time of the day or night. Full-text books and scholarly articles are available through these databases. Passwords to all proprietary databases can be found in Populi and in Canvas under Library.

More information on Library Resources may be found in the Student Handbook.

Graduation

Graduation Requirements

To qualify for degree conferral, students must:

1. Give evidence of biblical understanding, godly character and readiness for ministry.
2. Complete the prescribed course of study and achieve a minimum GPA of 2.0 for undergraduates and graduates (MM, MA(BS), MDiv, CC, MAC, and MAMC), and 3.0 for the ThM and DMin.
3. Settle all financial obligations, including payment of the graduation fee.
4. Receive the recommendation of the Faculty and approval by the Board of Trustees for graduation.
5. Submit an official Intent to Graduate Form to the Registrar's Office prior to enrolling for the final semester.
6. Attend commencement exercises. Permission to graduate in absentia may be granted on a case-by-case basis. Such request should be submitted in writing to the Academic Dean at least two months prior to commencement.

Students who have not completed all academic requirements may petition to participate in commencement if the remaining requirements will be completed by the end of summer semester and if 6 credit hours or less remain for completion. Students must enroll in and pay in advance for any such pending classes. The diploma and transcript will not be issued until all pending academic requirements are completed. Commencement exercises are held only at the end of the spring semester.

Transcripts

Grace School of Theology students and alumni may receive transcripts of their completed coursework. Upon the receipt of a written request from the student via the signed Transcript Request Form, the Registrar's Office will issue an official transcript to appropriate institutions, places of employment, or individuals. Transcripts will not be issued for students who have not met their financial obligations. A transcript fee is charge

Financial Considerations

Grace School of Theology seeks to offer a high quality of training in a cost-effective way. A significant portion of the cost of training is paid for through the generous gifts of God's people. This allows us to keep students' cost to a minimum.

Tuition and Fees

The schedule of charges reflects tuition as determined by credit status. The Seminary reserves the right to change tuition and other charges without notice as necessitated by Seminary or Board action. Incidental fees, and cost of books and supplies are examples of additional fees other than the mandatory fees listed.

Tuition and Fees Refund Policy

If a student drops a course before the start of a scheduled course, he will be refunded 100% of his tuition plus the technology fee. If a student drops a course after the first class session has begun but before the Drop Date for the module/semester, the student is still responsible for 25% of his tuition plus all the fees. After the Drop Date there are no refunds. All refunds must be requested from the Registrar's Office. Refunds are based on the amount billed, not what has been paid.

Billing, Payment Plans, and Collections

Billing

The Bursar's Office is responsible for maintaining financial records for all students through the use of a centralized billing system. This department is also responsible for processing refunds and providing payment plans to any student who wishes to utilize this method of payment. If you need to speak with someone about your account, please contact the Bursar's Office

Enrolled students' statement of account is available in the Bursar's Office. The Seminary cannot accept responsibility for the non-notification of student bills to students, both current and former, due to incorrect address or e-mail. Each student is therefore required to have a current e-mailing address on file in the Bursar's Office. The Bursar's Office will not remove late fees from a student's account in cases where a student claims not to have seen a statement. It is the student's responsibility to know the due dates for all payments.

Payment Plans

The Seminary requires that all students must complete their arrangement to pay for the semester prior to the first day of classes. This means the student must either pay 100% of all tuition and fees due or enter into the payment plan for that semester. In no case will the payment plan cover prior semester charges. Any prior charges must be paid in full.

Collections

Failure to legitimize payment within the time allotted will result in financial disenrollment. Failure to pay within the time allotted will also result in a hold on the student's record and the student may not register until all fees are paid.

Other Tuition Assistance Opportunities

GRACE Tuition Assistance Program

Prior to the start of every semester, students may apply for tuition assistance by completing a request for tuition assistance form online. Students may be asked for an interview at the end of this process. Please contact Student Services for further details. The awarding of tuition assistance, if any, is for the current semester registration only. Students must re-apply for tuition assistance before each semester registration. Please note: tuition assistance is not guaranteed.

Veteran's Benefits for Credit-Seeking Students

Veteran's benefits are available for eligible Grace students. Veterans who have not applied for VA benefits need to go to www.gibill.va.gov and fill out the requested information. Once the student receives the certificate of eligibility, the seminary can proceed with certifying the student under one of our programs. For more information, contact Alyssa Himebaugh, ahimebaugh@gsot.edu or 713.897.8295.

The Student will need to provide Grace School of Theology with the following:

1. Certificate of Eligibility (go to <http://www.gibill.va.gov/> to obtain)
2. DD-214 (go to <http://www.archives.gov/veterans/military-service-records/>)
3. Military Transcripts (go to <https://jst.doded.mil/smart/signIn.do> to obtain)
4. Transcripts from all post-secondary schools (anything above high school)

Texas Hazelwood Act

The Hazelwood Act is a State of Texas benefit that provides qualified Veterans, spouses, and dependent children with an education benefit at public institutions of higher education in Texas. Because the Hazelwood Act is available only for use at a Texas public college or university, it is **not available** and does not apply to Grace School of Theology students and programs.

Military Tuition Assistance

Students' Semester Responsibility

Students using Military Tuition Assistance must do the following each semester prior to the due date for tuition and fee payment:

- ❖ Read and complete the Sponsor/Third-Party Payment Authorization Form found at www.gsot.edu/student-forms
- ❖ Submit a copy of the Tuition Assistance Voucher or letter to our Bursar – must specify what the military will pay and how Grace should invoice the military to receive funds

Once our Bursar has the Tuition Assistance Voucher and Third-Party Agreement on file, we will place an estimated payment placeholder on the student's account based on the approved level of benefits. It is the student's responsibility to notify the military and the Bursar of schedule changes in circumstances where the military pays based on the student's class schedule. Military students must pay any charges not covered by tuition assistance or set up a payment plan by Grace's established due date to avoid late fees and holds for balances due.

Student Recruitment

Grace School of Theology student recruiters and advisors do not participate in any high-pressure recruitment tactics such as making multiple unsolicited contacts, including contacts by phone, email, or in-person, and engaging in same-day recruitment and registration for the purpose of securing Service members enrollments.

When speaking to an interested Service Member, student recruiters and advisors, need to instruct the Service Member to contact their Educational Services Officer (ESO) or counselor within the Military Service to receive approval prior to enrollment at Grace School of Theology.

Return of Tuition Assistance

Military Tuition Assistance (TA) is awarded to a student under the assumption that the student will attend school for the entire period for which the assistance is awarded.

When a student withdraws, the student may no longer be eligible for the full amount of TA funds originally awarded. To comply with the new Department of Defense policy, Grace School of Theology will return any unearned TA funds on a proportional basis through at least the 60% portion of the period for which the funds were provided. TA funds are earned proportionally during an enrollment period, with unearned funds returned based upon when a student stops attending.

If a service member stops attending due to a military service obligation, and the service member notifies the school of their obligation, Grace School of Theology will work with the affected service member to identify solutions that will not result in a student debt for the returned portion.

Calculation

When a student "officially" withdraws from a course, the date of withdrawal will be used as the last date of attendance (LDA).

If a student receives a "F/A" (failure to attend) or a "WF" grade for a course, that is considered an "unofficial" withdrawal. For unofficial withdrawals, Grace School of Theology will determine the last date of attendance (LDA) by reviewing the last date of

activity within a course. For online courses, Grace School of Theology will determine LDA based on the last date a student made a contribution to the class or submitted an assignment. For face to face courses, Grace School of Theology will reach out to the professor to determine the LDA.

Once LDA has been determined, Grace School of Theology will recalculate your TA eligibility based on the following formula:

$$\frac{\text{Number of days completed}}{\text{Total days of the period (start to end date)}} = \text{percent earned}$$

Total days of the period (start to end date)

Return of funds

Determining eligibility for TA is class specific. The start and end date will be used for each class to determine eligibility. Using the formula above, Grace School of Theology will be required to return some or all of the TA awarded to service members that did not complete at least 60% of each course; possibly creating a balance on your Grace School of Theology student account.

8 Week Course Withdraw Submitted

Before classes begin	100% return
During weeks 1-2	75% return
During weeks 3-4	50% return
During week 5	40% return (60% of course is completed)
During weeks 6-8	0% return

16 Week Course Withdraw Submitted

During weeks 1-2	75% return
During weeks 3-4	60% return
During weeks 5-8	50% return
During week 9	40% return (60% of course is completed)
During weeks 10-16	0% return

Readmission Policy

If a Service Member has been activated for deployment and has been out for more than a year, he/she will be required to apply for readmission to Grace School of Theology through the Admissions Department. He/she can complete the readmission application by going to www.gsot.edu and clicking on the "Apply Today" button.

Raising Support

Students can ask their church/ministry leaders as well as family and friends to support them financially to continue their theological training.

Tuition Benefits for Spouses

In order to encourage spouses to participate in training, Grace School of Theology offers a special tuition benefit. Spouses of credit students taking 6 or more credit hours in a semester may take courses for non-credit/audit in that semester with no charge for tuition (fees still apply).

Undergraduate Programs

Biblical Studies Certificate (BSC)

The certificate program at Grace School of Theology is designed for the Christian layperson who desires a flexible and less demanding course of study that will provide a general knowledge of the Bible and basic hermeneutical skills. This certificate is ideal for those volunteering in the local church or other ministry who want to be further equipped but do not wish to enter a formal undergraduate level degree program at this time. Nine credit hours of this program are transferrable from another accredited institution.

Diploma in Biblical Studies (DBS)

The Diploma in Biblical Studies is a 61-credit course of instruction that focuses on the exposition of each book of the Bible, an overview of systematic theology, and selected ministry skills. The diploma is primarily designed for those who live in locations where the completion of General Education credits is difficult for various reasons such as cost or accessibility, but would still like to be trained for practical ministry. Therefore, to receive this diploma, students are not required to complete General Education courses.

The DBS is designed for students who do not intend to continue on to a degree program. Students planning to work toward a degree should pursue the Associate or Bachelor programs as listed in this Catalog. However, students who complete the DBS and then later decide to continue on to an undergraduate degree may do so by transferring in the required General Education credits and open electives, and/or by taking these courses through Grace; ministry electives may also be completed at Grace. DBS credits will transfer into the undergraduate degree programs.

Associate of Arts in Biblical Studies (AABS)

The curriculum leading to the AABS degree is normally a two-year, 61-unit course of instruction designed to give students a basic biblical and theological foundation in preparation for a wide variety of Christian ministries. Students who successfully complete the AABS are encouraged to continue on to the BABS at Grace. Chaplaincy and Clinical Pastoral Educational (CPE) courses may be taken as electives in this program.

Graduate Programs

Ministry Concentration Overview

MM and MDiv students have an option of selecting a ministry concentration from three areas or remain in the interdisciplinary track that gives them the flexibility of exploring multiple areas of study. In addition to 6 credit hours of ministry core, MM and MDiv students will be able to customize 8 credit hours with one of the three concentrations with respect to their interest.

MA(BS) students will take 6 credit hours of any ministry skills courses in addition to the required ministry courses. While the core courses lay the foundation for a multifaceted ministry, the concentration courses address the students' need for ministry skills unique to the students' concentration. Students who are interested in one of the following three concentrations should consult their Academic Advisor to determine their concentration and to map out the courses accordingly. The determination of concentration will vary based on students' academic record, background and interests.

Concentration in Church Planting

This concentration is designed to equip students for planting a church in local and cross-cultural settings. Courses will cover church planting principles and practice including the elements of vision, strategy, and leadership.

Concentration in Pastoral Ministry

This concentration is designed to prepare students for the task of effectively leading the congregation of a local church. The student will have opportunity to develop skills necessary in exercising servant leadership.

Concentration in Biblical Counseling

This concentration is designed to equip students with some basic theories and skills for Christian counseling in a non-professional environment.

Master of Ministry (MM)

This 36-credit program is designed for maximum flexibility for the graduate level student who is primarily interested in acquiring general ministry skills. The student is able to choose from a wide variety of ministry classes that fit their needs and interests. The MM is designed to prepare students to serve in local churches or other forms of Christian work and ministry and can be completed in about one to two years (if attending full time). Seventeen (17) credits may be transferred into the MM from another accredited graduate institution. Chaplaincy and Clinical Pastoral Educational (CPE) courses may be taken as electives in this program.

Master of Arts (Biblical Studies)

The MA(BS) program (60 credits) at Grace offers graduate-level biblical and theological instruction aimed at providing a solid foundation in the Scriptures. It is designed with a particular focus on equipping those within a broad spectrum of Christian service, such as those in supporting roles within the local church, as well as those within para-church ministries and mission agencies.

The degree typically takes a little over two years to complete (if attending full time) and is uniquely structured to provide a comprehensive overview of the majority of the books of the Bible and most categories of systematic theology. This degree program is designed for those seeking ministry opportunities in the local church or in other Christian ministry and is a stair-step degree for those who desire to continue their studies in the Master of Divinity degree. Master of Divinity (MDiv)

The Master of Divinity degree (95 credits) is traditionally the most common seminary degree for equipping those whose desire is to serve the Lord in some type of professional ministry capacity. It is especially common among those seeking preparation for pastoral or classroom ministry, or any other ministry where the primary task is expositing the Word of God. However, anyone whose ministry goals will be furthered by obtaining a firm grasp of the Scriptures, including the original languages, will benefit from a Master of Divinity degree from Grace. The MDiv also prepares students to enter directly into a post-graduate (doctoral) professional program such as the Doctor of Ministry degree (see below). Students may choose the option of the MDiv with a minor in Chaplaincy.

At Grace, the MDiv degree is uniquely structured to balance biblical and theological studies with ministry skills concentrations that will result not only in increased knowledge of God's Word, but also preparation for the common demands of everyday ministry. The 95-credit degree typically takes a little over 3 years to complete (if one attends full time). Students may transfer up to 47 credits from another accredited graduate institution into the MDiv program.

Master of Theology (ThM)

The ThM degree is the highest graduate level academic degree available at Grace. The ThM degree is 29 credits beyond the MDiv (for a total of 124 credits). Most coursework is in biblical languages and research, culminating in the thesis, the capstone project. The ThM also prepares students to enter post-graduate (doctoral) research programs such as a PhD or ThD. This degree is also beneficial for those who desire to teach in an academic institution and/or who desire to be more effective in their teaching and preaching ministry. Students may transfer up to 14 credit hours beyond their earned MDiv into the ThM Program from another accredited graduate institution. For a fee, students may extend the length of time to complete the thesis by completing the General Petition Form. Approval must come from the Graduate Dean.

Applicants for the ThM program must have completed the Master of Divinity (a minimum of 90 credit hours, including one year each of biblical Greek and Hebrew), or equivalent, with a minimum 3.0 GPA, prior to enrollment. Those who have not completed the biblical language requirement may still enroll but must complete the first-year language requirements before proceeding to subsequent years of language study. This may be accomplished concurrently while enrolled.

ThM Program Learning Outcomes

Upon successful completion of the ThM Program the student will be able to:

- ❖ Demonstrate the ability to exegete the Hebrew and/or Greek texts of the Bible.
- ❖ Conduct research at the advanced graduate level with breadth and depth within a specific field of study.

Graduate Chaplaincy Programs

Introduction to the Program

The Chaplain Focused Programs at Grace provide graduate-level, biblical and practical theological instruction, aimed at providing a solid foundation in Chaplaincy and equipping servant leaders for military, public safety, community, and hospital-based chaplaincy. It is designed with an integrative approach that contextualizes both skills-based and issue-based training to the environment of service and adult student-centered active learning pedagogy.

Program design considerations include activity-based learning that is relevant to the student and subject matter, taking the student from what they know to what they do not know and from simple to complex, utilizing activities that are designed to aid them in experientially discovering knowledge and beliefs and modeled by experts within the context of service of Chaplaincy.

Clinical Pastoral Education (CPE)

CPE is an action/reflection/action inductive method of learning. It is about change, transition and transformation and involves peer and individual supervision as part of the action-reflection process. Supervision is an engaging encounter between a supervisor and supervisees in which reflection is utilized to review a variety of pastoral encounters and ministry reporting events. Supervisees covenant together so that growth and development occur in self-awareness, ministry competence, and theological understanding.

Grace School of Theology is pleased to partner with Clinical Pastoral Education International (CPEI) who provides exceptional supervised clinical pastoral education for those interested in chaplaincy and pastoral care ministries. The CPE Supervisors providing the supervised clinical training are highly qualified with years of experience in various chaplaincy ministries as well as additional training in pastoral supervision. Students who need to complete CPE units but do not need to seek a degree with Grace, may enroll as a Special Status Student. (See more details about enrolling as a Special Status Student in this Catalog.)

Students enrolled and seeking Chaplaincy Degree Programs are **required** to complete a minimum of 1-2 courses in Clinical Pastoral Education (CPE) credits. [Master of Arts in Chaplaincy requires 4 courses of CPE after which students may apply for national board certification with Commission on Accreditation of Pastoral Education (CAPE)]

The student's CPE course level depends on prior CPE work completed and chosen degree path. Each level of CPE consists of 16 weeks with a total of 400 required hours of which 100 hours of required classroom/ self-study and 300 hours of supervised clinical practice.

Clinical Pastoral Education are "capstone courses" taken toward the end of your degree path in both the undergraduate and graduate degree programs. CPE combines the knowledge acquired in other course work into a supervised clinical practicum over the 16 weeks.

During the semester **prior** to enrolling in CPE coursework, an application and interview process for entrance into the program is a pre-requisite (required). The application is located at <https://www.gsot.edu/student-forms/>.

Students are **required to be in class** (online) during weekly sessions. There are no pre-recorded sessions.

Students who successfully complete each CPE course will receive a Certificate of Completion for each level of CPE achieved after all CPE internship hours and cohort course work has been completed. CPEI sets the standards for the CPE courses and validates the quality of the course work and experiential expertise of our instructors. Upon enrollment in the course a fee of \$50 will be assessed by the Grace Bursar and will automatically be enrolled in CPEI as a Student Member.

For more information about Grace's Chaplaincy Programs and CPE, contact Senior Chaplain Ken Schlenker at kschlenker@gsot.edu.

Certificate in Chaplaincy (CC)

The *Certificate in Chaplaincy* is a 20-credit program that lays out the core foundation, knowledge, skills and issues faced within chaplaincy and prepares the student to (1) utilize chaplaincy as part of their ministry or (2) provide chaplain services within a secular environment. Such environments might include but are not limited to: sports, marketplace, disaster, community, and other faith-based ministries. The degree typically takes a little over a year to complete (if attending full time). Up to 9 credits may be transferred into the CC from another accredited graduate institution

Master of Arts in Military Chaplaincy (MAMC)

The Masters of Arts in Military Chaplaincy (75 credits) at Grace is designed to provide advanced preparation for service as a military chaplain. This program fulfills the Department of Defense 1304.28 educational requirements for Military Chaplaincy. Grace's MAMC offers not only a solid core of studies focused on preparing the student-chaplain, but offers as well as strong foundation of preparing the student for the pulpit ministry as an effective chaplain. An offering of systematic theology, Bible exposition, biblical hermeneutics and ministry skills coursework will prepare the chaplain candidate to enter military service with a well-balanced preparation to be a servant-leader.

The degree typically takes a little over three years to complete (if attending full time) and is uniquely structured to the issues that arise within the military environment. Students may transfer up to 37 credits into the MAMC from another accredited graduate institution. Students who have completed a BABS may receive up to 18 credits of Advanced Standing. *CPE course level depends on prior completed CPE work.

Doctorate Program

Doctor of Ministry (DMin)

The Doctor of Ministry program is designed to prepare students currently in vocational ministry with the highest level of expertise in the biblical and theological application of God's truth to their contextual ministry setting in the church and para-church. The Ph.D. degree, by comparison, purposes primarily to equip students to engage in scholarly research and teaching.

The Doctor of Ministry program allows students to remain in the location where they are ministering except for attending intensive courses. Each course builds on ministry experience and endeavors to integrate learning with the student's present ministry as well as his or her future goals.

The Doctor of Ministry is an advanced professional degree designed to broaden the student's vision of ministry, deepen their theological foundation for ministry and enhance one's ministry skills. The program focuses on practical ministry from a biblical and theological perspective. Courses are planned to challenge and enrich the student both personally and professionally. This happens in several ways:

- ❖ Interaction with outstanding resident and adjunct faculty mentors who have proven track records in ministry.
- ❖ Exposure to contemporary resources that are designed to help keep one's ministry both biblically accurate and culturally relevant.
- ❖ Camaraderie with ministry peers that will encourage one's heart and stimulate the mind toward thoughtful enhancement of ministry.
- ❖ Involvement in practical ministry projects that will enhance one's current ministry.

Who Would Benefit from the DMin Program?

Pastors, including "senior", "lead", and associate pastors who are currently involved in Christian ministry would benefit the most from the DMin. In addition, para-church ministry personnel (i.e. Young Life, CRU, missionaries, etc.) will also find that the DMin program would enhance their ministry skills and perspective. Grace, being a global educational institution, anticipates that international students will also benefit from the DMin program as they serve in their own country and prepare to become leaders within their Christian community.

DMin Program Learning Outcomes

Upon completion of the DMin Degree at Grace, students will be able to:

1. Construct biblical solutions that address the student's challenges in his/her specific contextual and cultural ministry.
2. Develop a biblical theology of personal and corporate spiritual formation.
3. Demonstrate advanced ministry and leadership skills in one's particular area of ministry.
4. Communicate biblical and theological truths that result in ministry effectiveness.
5. Contribute to the body of knowledge in Christian ministry.

Delivery Method

All courses are offered in an intensive block format, with each course consisting of three parts:

- ❖ **Pre-Residency** (approximately two months)—preliminary reading and other assignments
- ❖ **Residency**—one-week intensive classroom interaction, offered remotely/online
- ❖ **Post-Residency** (approximately two months)—a final course assignment that applies what you have learned to life and ministry

Third	Core Course & DM-990	Elective & DM-991	Core Course
Fourth	Elective & DM-990	Core Course & DM-991	Graduation

Calendar Notes:

In one academic year, the DMin Program offers 2 required courses and 1 elective; OR 2 electives and 1 required course. This allows students who are in different phases/stages in the program to have a chance to enroll in at least one core course per academic year.

At this time, the DMin program cannot offer a core course and an elective in the same semester. Consequently, the 3 core courses cannot be offered consecutively in one academic year in order to allow students who need electives to complete them for their program. For the same reason, 3 electives cannot be offered consecutively in one academic year.

DMin Project

The Ministry Project phase of the DMin program begins when coursework is completed. It is designed to synthesize ministry knowledge in a doctoral level practical ministry project. (Complete details on the nature of this requirement are found in the Grace School of Theology *Applied Research Paper Manual*)

DMin Project Timeline

Typical timeline for the completion of the DMin project.

*See Ministry Project Manual and DM-990 and DM-991 Syllabi for additional details.

DMin Grading System

Coursework is usually divided between pre-residency, residency, and post-residency assignments. Pre-residency assignments are generally due at the first class session. Post-residency assignments are due up to three months from the last class session, but prior to the end of the semester in which the intensive is offered.

Criteria upon which grades are based include, but are not limited to, the following:

1. Requirements of the course syllabus
2. Content appropriate to doctoral research and a sufficient level of integration of biblical and theological concepts with the practice of ministry
3. Meaningful participation in the class sessions and discussion boards.

To remain in good academic standing, a minimum grade point average (GPA) of 3.0 must be maintained in the program and is required for graduation. No points are given for a grade lower than a B- (2.7). Any required failed course must be retaken until passed. The retaken grade will automatically replace the original failed grade. Doctoral students should refer to other applicable academic policies in this publication. The grade point values for the doctoral program are found in the following chart.

The DMin Grading Scale with GPA nomenclature:

A + 99-100 (4.0)	B+ 91-93 (3.3)	F 0-85 (0.0)
A 96-98 (4.0)	B 88-90 (3.0)	I Incomplete
A- 94-95 (3.7)	B- 86-87 (2.7)	WP Withdrawal/Pass

DMIN Graduation Requirements

In order to graduate, a student must:

1. Pass all required courses with a 3.0 GPA and satisfactorily complete the ministry project, its oral presentation to the Faculty body, and submission of the project to the Seminary Librarian.
2. Reflect a life of sound doctrinal beliefs, genuine Christian character, and conduct becoming of a person called of God to a position of Christian leadership.
3. Settle all financial obligations to the school, including the payment of the graduation fee.
4. File an *Intent to Graduate* form to be considered for graduation.
5. Be recommended for graduation to the Board of Trustees by the Faculty.
6. Attend commencement exercises. Permission to graduate *in absentia* must be requested in writing to the Academic Dean, at least TWELVE weeks prior to commencement.

General Student Placement and Admission Policy

The program is not only open to Grace students, but also to all iTEP takers and non-iTEP takers. Those with overall iTEP scores ranging between 3.5 and 6.0 may be eligible for graduate and undergraduate programs at Grace, while those assessed with overall iTEP scores of 3.4 and below are recommended to take ESL classes first.

Before admission into the ESL program, students are assessed for placement into 1 of 5 GRACE levels. An iTEP exam or its equivalent is used to determine the student's level of work. Students who achieve a higher language level after the language placement exam will require less time in finishing the program.

Since Grace ESL is a non-degree program, students do not need to complete the full course of study to move on to or to qualify for admission in regular Grace programs, however they are still required to take and pass the iTEP exam or any alternative language exam approved by Grace. All students in the Academic English Certificate (AEC) track are given an assessment, usually an iTEP exam or its equivalent, after completing the certificate schedule. Students in the Professional English Certificate (PEC) track and Business English Certificate (BEC) track are provided course-specific assessment.

For non-iTEP takers, there are options for language placement: GEPT* score or any official score report in any of these approved standardized tests – TOEFL, TOEIC, PTE, IELTS, FCE, CAE, and CPE, and other accredited CEFR-based exams.

*GEPT – Grace English Placement Test (administered by the Grace ESL instructor)

Student Assessment

Students are given a certificate of completion upon finishing all requirements in a certificate schedule, and after fulfilling a number of criteria that include class attendance, homework, quizzes, and other evaluation tools. Since ESL students take one course each semester, no averaging of cumulative grade points (GPA) from prior quarters is considered.

To qualify for higher placement, a student should receive a PASSED mark. If a student receives a FAILED or DEFERRED mark, he or she will be recommended for ESL coaching and will be re-assessed for proper language placement. Note that the grade received in each course is only an indicator of a student's readiness to cope with an ESL course of a much higher level. In cases when a student and instructor perceive the need for more remedial work, the student can be endorsed for more hours in the ESL coaching program, and eventually mainstreamed into a regular ESL classroom when ready.

Student Conduct, Due Process, & Grievances

Student Code of Conduct

For the testimony of the Lord and the Seminary, we ask you to walk worthy of the vocation for which you are preparing. There are certain things expected of those in the Lord's work that may not be expected of the average believer (1 Timothy 3:1-8 and Titus 1:6-9). We trust your Christian maturity has allowed you to accept that responsibility and rejoice in it. It is our desire that your life on and off campus radiate Jesus Christ, demonstrate commitment and dedication to spiritual things, and be characterized by the heartbeat of the apostle Paul when he said, "Therefore, whether you eat or drink, or whatever you do, do all to the glory of God" (1 Corinthians 10:31). In light of our commitment to biblical living, the Seminary asks that students conduct themselves according to the highest standards of Christ-like behavior. Students whose testimony becomes a hindrance to the work of the Gospel and the reputation of the Seminary may face disciplinary action according to the guidelines stated in the Student Handbook.

Be Respectful: Respect the learning/classroom environment and the dignity and rights of all persons. Be tolerant of differing opinions.

Be Courteous/Considerate: Extend courtesy in discourse. Please do not interrupt speakers. Avoid distractions such as cell phones, beepers, and irrelevant discussions. Do not eat or drink in class without permission.

Be Supportive/Caring: Exhibit concern for others and promote a caring environment. Think about how your behavior affects others. Help distressed peers find appropriate resources/assistance.

Be Informed: Familiarize yourself with the course and instructor expectations. Read the course syllabus.

Be Honest and Fair: Grades should reflect individual work, unless group work is authorized. Maintain the code of academic honesty.

Be Attentive: Mentally prepare yourself for listening. Resist distractions, emotional reactions, or boredom.

Be Punctual: Attend classes regularly and on time. Instead of closing your notebook early, listen carefully to information given near the end of class; summary statements and instructions may be important. Moreover, leaving class early distracts from a lecture.

Be Organized/Prepared: Prepare for class by completing readings and assignments. Avoid procrastinating and set realistic goals.

Be Participatory/Curious: Contribute and participate in class discussions; display interest during class by raising thoughtful and relevant questions that enrich discourse.

Be Communicative: Interact with the instructor and discuss assignments, grading and subject matter. Express complaints and concerns in a calm and respectful manner.

Be Enthusiastic: Enjoy the educational experience. Seek ways to make your coursework meaningful and relevant. Give your best effort.

Be Dedicated/Committed: Show initiative and desire to excel and make your studies a priority. Avoid over-committing your time to activities that do not support your goals.

Student Disciplinary Policies and Procedures

Grace School of Theology, as an educational institution, has a special set of interests and purposes essential to its effective functioning. These include (a) the opportunity for students to attain their educational objectives, (b) the creation and maintenance of an intellectual and educational atmosphere throughout the Seminary, and (c) the protection of the health, safety, welfare, property, and the property of the seminary itself. The Seminary has a clear responsibility in the area of student conduct to protect and promote the pursuit of its goals. The Student Disciplinary Policies and Procedures emphasize the Seminary's obligation to promote the personal freedom, maturity, and responsibility of students.

The Student Disciplinary Policies and Procedures set forth those acts that constitute unacceptable conduct for students of the Seminary. All alleged violations of the Student Disciplinary Policies and Procedures might result in referral to the Dean of

Students. The Seminary does, in addition, reserve the right, for educational purposes, to review any action taken by civil authorities regarding students. It also has the obligation to introduce counseling and/or disciplinary action if the student's conduct has interfered with the Seminary's exercise of its educational objectives or responsibilities to its members. Disciplinary action taken on this basis shall conform to the terms of the Student Disciplinary Policies and Procedures.

Grace School of Theology supports the concept of educational discipline. When a student is not a danger to the seminary community, or when a repetition of misconduct is unlikely, the Seminary will make an effort to educate the student through a sanction; but should the student demonstrate unwillingness to obey the rules governing conduct, s/he will be treated in the same manner as one who has failed academically. Students are expected to adhere, and will be held accountable for adhering, to all federal, state, and local laws in addition to all seminary policies and regulations not mentioned herein.

A student admitted to Grace School of Theology accepts the responsibility to conform to all Grace School of Theology rules and regulations. Proven failure to meet this obligation will justify appropriate disciplinary actions including, but not limited to, expulsion, suspension, disciplinary probation, or reprimand. Although the Seminary will make every reasonable effort to make the rules and regulations available, students are responsible for becoming familiar with them.

Grace School of Theology Judicial System is the responsibility of the Provost and the Dean of Students.

For further details, see Articles 1-19 in the Student Disciplinary Policies and Procedures sub-section of the Student Conduct and Due Process section of the Grace School of Theology Student Handbook.

Student Grievance & Complaint Procedures

A *grievance* is a just or supposed basis for complaint arising out of any alleged unauthorized or unjustified act or decision made by a member of the Grace community that in any way adversely affects the status, rights, or privileges of a student. An aggrieved student may complain to the administration to correct the problem. The burden of proof is on the individual who submits a complaint. The grievance process is *not* the correct means for appealing disciplinary actions, for contesting a grade, or appealing an academic decision. (see separate policies within the Catalog and/or Student Handbook: Student Disciplinary Policies and Procedures; Article 16, Contesting a Final Grade, or Academic Appeal Process).

Step 1. Informal Action

Seek resolution first through direct, informal communication with the responsible person (Matthew 18:15). Discussion between those involved is encouraged at all stages but is essential in the early stages of resolution. Following an unsuccessful attempt to resolve the conflict one-on-one, students are encouraged to discuss the matter with the Dean of Students. After the student has made every available effort to resolve the conflict in an informal manner, formal action may be taken.

Step 2. Formal Action

The following procedure is used to resolve a formal complaint.

1. State the grievance in writing (write a complaint) within 60 days of the alleged event and submit the complaint to the Dean of Students. No special form is needed, but the complaint must include:
 - ❖ The date you submit the complaint;
 - ❖ A description of the grievance that includes all relevant information such as date(s) when the problem was evident, evidence substantiating the grievance, and witnesses; and
 - ❖ A proposed resolution, that is, what you want to happen to resolve the grievance.
2. The Dean of Students has two working days from the date of receipt to forward the grievance to the administrator who will serve as mediator to resolve the matter. Care will be taken to ensure that the mediator has the expertise necessary to resolve the grievance.
3. The mediator has two working days from the date of receipt to:
 - ❖ Send to the student an acknowledgement that briefly summarizes the grievance and informs the student that a resolution will be sent within ten working days, and
 - ❖ Forward to the Provost and President a copy of the grievance and acknowledgement.
4. The mediator has ten working days from the date of receipt to:
 - ❖ Investigate the alleged basis for the complaint;
 - ❖ Investigate previous efforts taken to resolve the grievance
 - ❖ Investigate any contingencies and take such action that may help resolve the grievance;

- ❖ Send to the aggrieved student a *formal response* (a statement describing what was or will be done to resolve the grievance); and
 - ❖ Forward to the Provost and President a copy of the formal response.
5. If the student is satisfied with the formal response, the grievance is resolved.
 6. If the student is not satisfied with the formal response, a request for a hearing may be made to the Grievance Committee, which:
 - ❖ Shall be given a copy of the case to date;
 - ❖ Shall schedule a hearing date and time within seven working days of the request and notify all concerned (but not necessarily invite them to attend);
 - ❖ May invite the student and any witnesses to attend the hearing—the student does not have a right to attend;
 - ❖ Shall conduct the hearing as informally as possible, while reviewing and evaluating the case;
 - ❖ Shall keep its deliberations confidential; and
 - ❖ Shall, by majority vote, recommend to the Dean of Students, Provost and President a course of action to finally resolve the grievance.
 7. The President will issue a decision, which shall be final, in writing to the student within three working days of the hearing.

The Dean of Students is tasked with the overall responsibility for collecting and securing documentation, and for ensuring confidentiality of all matters related to any filed grievance or complaint. Formal grievances and complaints are retained in the Dean of Students office. The Dean of Students may delegate these responsibilities.

In accordance with requirements issued by the U.S. Department of Education, any student who has already followed the Grievance/Complaint Procedures as noted above, and feels the issue is not resolved, may contact our accrediting agency:
