Promises of a Precious Faith

SESSION 1 | 2 PETER 1:1-2

- **The Past Frames Peter's Perspective**

The events that took place during the time Peter spent with Jesus, when looked at collectively, show the hand of God moving mightily in shaping and molding him into the disciple, apostle, servant, and martyr that Peter became.

When we recognize God in the past, present, and future, we have the promise of the right perspective on life.

Question:

Where do I see the hand of God working in molding and shaping me in my past and present?

How does that alter my perspective on life today and in the future?

- **The Position Forms Peter's Ministry (verse 1a)**

Servant - *Doulos* - slave - those used by Christ to extend and advance His cause

Apostle - literally a "sent out one."

When we present ourselves as servants of Christ, we have the promise of a productive ministry.

Question:

Do I see myself as a servant?

How can my attitude help shape the ministry the Lord had for me?

Am I looking for what the Lord has for me?

Who do I serve?

- **The Precious Faith Focuses Peter's Audience (verse 1b)**

Promises of a Precious Faith

SESSION 1 | 2 PETER 1:1-2 (Continued)

Do I see what I have been given the same as the Apostles?

How was my faith obtained?

Who is the focus of that faith?

Is that where my faith is focused?

For what purpose?

How can I begin to experience this?

- ***The Peace and Grace is Found in Peter's Knowledge (verse 2)***

Grace and Peace - *charis* and *eirene*; grace is first followed by peace

Be multiplied - *plethuno* - a verb tense that means a prayerful desire

In the Knowledge - *Epignosis* - intimate experiential knowledge - used 16 times in this letter

God and the Lord Jesus Christ - the objects of *epignosis*

When we experience living participation with Christ, we have the promise of grace and peace.

Question:

Do I desire grace and peace to be multiplied in me?

KNOW THIS... the promises of grace and peace are known only through the precious faith in Christ Jesus.

Promises of the Divine

SESSION 2 | 2 PETER 1:3-4

Peter continues his explanation of the incredible promises begun in verses 1-2, that are ours through the epignosis, or knowledge of Christ.

Why would I not want to do it?

Promises of the Divine

SESSION 2 | 2 PETER 1:3-4 (Continued)

- **Divine Nature (verse 4)**

divine nature - when God saved us through Christ by faith in His promises, He indwelt us, and we, therefore, possess the divine nature of God within us - John 16:7
Acts 2:39 - we can become more Christlike - image-bearers

escaped the corruption - because we are partakers of the divine nature, we can escape the corruption that is in the world - because we can choose the divine nature we do not have to obey the corrupt nature that is in the world driven by the lust

in the world through lust - Because we have become new creatures in Christ, we have already escaped (moral ruin) that is in the world through lust - (perverted desire)

God Promises us His divine nature through life.

Question:

Do I know that I have God's divine nature in me?

Do I know how to tap into it to overcome the corruption of the world?

Promises From False Teachers

SESSION 6 | 2 PETER 2:1-11

Peter has reminded the believers in Chapter 1 about the true promises from the Lord which enable us to know Him and to experience rich life... now he warns the believers in Chapter 2 of the false promises from those who lead people away from the Lord and away from life and godliness. Let's heed the warning.

The Characteristics of False Teachers (Verses 1-3)

Verse 1

False Prophets among the people - False prophets led people away

False Teachers among you - **Pseudodidaskaloi** - Psueudo teachers - these know the truth but deliberately lie for personal gain

Secretly bring in - "to bring alongside" - false teachers add to the truth

Destructive heresies - The primary heresy...the denial of the atonement.

Denying the Lord - this is how far the false teachings can go

Who bought them - the Greek **agorazo** - literally "having secured the rights to someone by paying the price (1 Corinthians 6:20; John 3:16; 1 Timothy 2:4-6; 4:10; Acts 17:30; Hebrews 2:9; 1 John 2:2) - they never applied the redemptive work of Christ to themselves

Bring swift destruction - when their judgment occurs it will be sudden

Verse 2

Many will follow - How do I guard against this? EPIGNOSIS and KNOW, GROW and GO

The way of truth blasphemed - a course of conduct that blasphemes

Verse 3

By covetousness - wanting the glory for themselves

Exploit with deceptive words - exploit - a misrepresentation of the merchandise -

deceptive - from the Greek *plastos* - where we get the word plastic

Judgment and destruction - though God is patient He is never late

The Consequences of False Teaching (Verses 4-9)

Verse 4

Example #1 - the Devil - Angels cast down - The angels followed Satan and brought it upon themselves through unrighteous behavior.

Verse 5

Example #2 - The World - The Ancient World vs. Noah - Genesis 6:9 - The world was wicked but Noah was a just man, perfect in his generation. Noah walked with God.

Verses 6-8

Example #3 - The Flesh - Sodom and Gomorrah vs. Lot - Genesis 19:15 - 25 - Sodom and Gomorrah were cities that followed after the flesh and treated God as irrelevant; Lot - is described as a righteous man three times - again the distinction between the ungodly and the righteous.

Verse 9

The Lord Knows - God knows how to handle both the just and the unjust - a great truth

Deliver the godly out of temptation - out of - not necessarily away from

Reserve the unjust under punishment - the unrighteous are physically being chastised and restrained by God until the Day of Judgement - Matthew 25; Rev. 20; John 5; Romans 2; Hebrews 10

Promises From False Teachers

SESSION 6 | 2 PETER 2:1-11 (Continued)

The Conduct of False Teachers (Verses 10-11)

Verse 10

Walk according to the flesh - the worldly pursuit of something forbidden; not the Spirit

Lust of uncleanness - translated the pollution of the world

Despise authority - Looking down on spiritual authority - anything ordained by God.

Presumptuous - boldness and arrogant

Self-willed - self-serving - will do their own thing

Not afraid to speak evil of dignitaries - Glorious ones - they speak evil of that which is holy

Verse 11

Angels - Jude 9 - Michael did not revile Satan - instead in humility he rebuked him.

Angels would never do what these false teachers do - they leave all of the judgment to the Lord

KNOW THIS... False teachers are all around but God is faithful.

Question:

Peter addresses this to believers - will we heed the warning?

How will we do that?

Will I pursue God's promises or the world's enticements?

Promises of Deception and Demise

SESSION 7 | 2 PETER 2:12-22

How did Peter really feel about these false teachers? He continues his warnings:

Warnings of Deception (Verses 12-16)

Verse 12

But - a contrast to the angels - these false teachers are brute beasts - unreasoning animals - in their corruption they shall be corrupted

Verse 13

They are caught in their own web - get what they pay for - they reap what they sow - their wages of unrighteousness - pleasure - Greek for hedonism - They think they are celebrating freedom and yet are slaves to the sin they are promoting

Verse 14

eyes full of adultery - they entice with the lust of the eyes, the lust of the flesh, and the pride of life. They exercise - gymnasium - intentionally train

Verses 15-16

They have forsaken the right way - Made the path crooked - like Balaam - rebuked by a speechless animal - who saw what he could not - even a donkey knew better than Balaam

Warnings of Demise (Verse 17-19)

Verse 17

The false teachers are like wells with no water and storms that produce no rain - something of great promise that provides nothing of substance or value and ultimately disappoints.

Verse 18

The teachers themselves were licentious and they tried to encourage new Christians to be and do the same.

Verse 19

"That which you permit to successfully overcome you progressively and completely enslaves you."
Corruption seen here and in 1:4; 2:12, 19 - contrasts with the abundant life of 1:3

Warnings of Defeat (Verses 20-22)

Verses 20-21

Of whom are these verses speaking? New believers are warned against being "caught up into a life of carnality ... only to find that there is even less pleasure, less fulfillment than before they were saved" - Entangled - sheep whose wool is caught in thorns.

Verse 22

Both the dog and the pig were held in poor regard by the Jews - both being unclean animals - animals that ingested the world's filth and waste. Both male and female are represented - what distinguishes a dog from another is not necessarily the way they look but the quality of their training - and the way they act reflects on their trainer. Pigs too look pretty much alike but one has cleaned herself - something of a rarity and maintaining this cleanliness takes effort and diligence for a pig. In the same way believers have been called to remain virtuous - clean - as they have been made in Christ - Therefore, Christians who revert back to their prior condition indulging in that which they previously rejected (ejected from their stomachs) while natural and almost expected, for these animals is an abandonment of their calling and training.

Believers today do well to heed Peter's warning against false teachers, to learn how to discern truth for themselves, and to teach it to others. The false teachers will themselves meet destruction and others will be destroyed by them. But Christians can wage spiritual warfare more effectively if they know their spiritual

Promises of Deception and Demise

SESSION 7 | 2 PETER 2:12-22 (Continued)

enemies, the techniques that heretics use, and the end result of their deception.

KNOW THIS... Don't be deceived. True freedom is found only in Christ!

Question:

Why does Peter warn his audience so vehemently regarding these false teachers?

Can I be deceived by false teachers and the world today? If so, how? Be specific.

What does Peter say are the things that can entice me away from Christ?

How does Peter tell me to guard against that deception?

What role do I play in helping others?

Review the promises of God in Chapter 1 and the Promises of the false teachers in Chapter 2 - which promises do I already have?

Promises of Return

SESSION 8 | 2 PETER 3:1-9

Peter now moves into the last section of his letter and brings hope to the beloved.

Beloved, You Remember His Promise (Verses 1-7)

Verse 1

Beloved - four main thoughts to the beloved - from the Greek agapetois

Stir up - to arouse from sleep - used in 1:13 - the reminder of this letter

Pure Minds - God wants His people to have sun-judged minds

Verse 2

Mind/Mindful - bring to mind - how do I do that?

Words - words are powerful as Peter will attest to in a moment

Holy prophets - the holy men of 1:21 - not the pseudo prophets

Commandment - the way of righteousness - 2:21

Apostles - Peter places the writings of the apostles on the same plane as the prophets

Verse 3

Knowing This - a reference back to from 1:20 - ginouso - this first

Scoffers will come - also translated "mockers" - seen previously at Jesus' crucifixion.

The Last Days - The period of time between the first and second Advents

Walking... Own Lusts - selfish impulses - defined by this in 2:10

Verse 4

"Where is the promise of His coming?" - this is what the mockers say

Fathers Fell Asleep - OT Patriarchs

All Things Continue - nothing has changed since them

Beginning of Creation - all the way back to creation - uniformitarianism

Verse 5

This... the Word of God - Peter has shown them what he believes in -

Willfully Forget - Ianthano - deliberately

Creation account - God has acted in the past - He spoke

Verse 6

Existed - Perished - He spoke things into existence, held them together,

Flooded - by His words the waters receded at creation and flooded in the time of Noah -

Verse 7

But - by contrast - God is capable (2:9b)

Heavens and the earth now preserved - held up and sustained

Same Word - He now preserves earth currently with His word

Are Reserved - will again, by His word, render judgment by fire on the ungodly.

Fire - not flood - God promised Noah

The Day of Judgment and Perdition - Great White Throne - Revelation 20:11-15

Ungodly men - make no mistake who this is reserved for

Promises of Return

SESSION 8 | 2 PETER 3:1-9 (Continued)

Beloved, He Remembers His Promise (Verse 8-9)

2 reasons why believers should not doubt the Lord's return: God's design and God's desire

Verse 8

But - now back to the reminder

Beloved - the second of four "beloved" do not forget - the charge

Do not forget - an unstirred mind forgets - a stirred mind does not

with the Lord - the major point - with the Lord

A day = thousand years - Psalm 90:4; We see time against time - not against eternity

Verse 9

The Lord is not slack - denying the accusation - He is not hesitating

His promise - the promise of Christ's return

Longsuffering toward us - now the reason or God's motivation

Us - God is patient

Not Willing - where the scoffers willingly forget God does not

Any should perish - a middle voice aorist tense that means: to utterly destroy themselves

All should come to - should come - to make room for or to give way to

Repentance - metanoia - to change one's mind

The call here is to both the believer and the unbeliever.

KNOW THIS... God's Word is truth. Christ is coming back, believe it!

Question:

What do you believe?

Notes

Promises for the Righteous

SESSION 9 | 2 PETER 3:10-18

In this final section, Peter now turns to the promises for those who are righteous.

Beloved, Be Ready

Verse 10

But - the contrast to thought He is longsuffering eventually

The Day of the Lord - Rapture + 7 years of Tribulation + 1000 year Millennial Reign = 1007 years

Will come - an expressed certainty

Thief in the night - 1 Thess 5:2 - "the day of the Lord so comes as a thief in the night"

In which - within which time period - a certain set of judgments will occur

Heavens will pass away/Elements will melt/Earth and their works - 1 Corinthians 3:15

Will be burned up - we get the English word "caustic" from here

Verse 11

Therefore - since all of these things will be destroyed...

Manner of persons ought you to be - in light of the coming Day how should I live?

Holy conduct - "Be holy for I am holy" - you are holy in Christ now live like who you are.

Godliness - committed to God and seeing the world from His point of view (1:3, 6, 7)

Verse 12

Looking for and hastening - looking expectantly with hope

The Day of God - 1 Cor. 15: 24 - 28 - after at Great White Throne

Heavens dissolved - judgment occurs as a

consequence of the Day of God - NOT

Verse 13

Nevertheless - or since all things will be dissolved

We - His audience and, as we have seen, us - based on His promise

Look for - we look for the NEW

New heavens and new earth - Jesus - "Behold I make all things new - Revelation 21:5

In which righteousness dwells - righteousness makes a permanent home

Beloved, Be Diligent

Verse 14

Therefore, beloved - in light of the promise of a new heaven and a new earth where

Looking forward to these things - Standing on tippy toes

Be diligent - be eager - used in 1:10, 1:15 - to exert oneself, endeavor

Be found by Him in peace - to be discovered by Him where peace is found

Spotless, blameless - this refers to the believer's condition

Verse 15

Longsuffering of our Lord - is salvation - Salvation can also mean preservation

Wisdom given him - wisdom into the promises of God and the return of Christ.

Verse 16

These things - what Peter has already talked about

Promises for the Righteous

SESSION 9 | 2 PETER 3:10-18 (Continued)

Untaught and unstable people - as opposed to Peter's audience

Twist - to torture them to say what they want them to say.

Their own destruction - notice it is their own brought about by themselves

The rest of the Scriptures - including the prophets and the rest of the writings.

Beloved, Be Aware

Verse 17

You, beloved - Since the false teachers twist the words of the Scriptures - be aware

You know this beforehand - we get the word prognosis from this Greek word

Beware - be on your guard

Fall from steadfastness - a great summary again of chapter 2 - loose footing

Led away - A torrent of false teaching knocking the believer off his feet.

Error of the wicked - 2:18 - the lifestyle of the wicked.

Verse 18

But grow in grace - Guard and grow - guard against being led astray - grow in grace

Grow in knowledge - the keyword of the letter - epignosis - the knowledge

Our Lord and Savior Jesus Christ - the object of the epignosis

Glory Now and forever - honor God by manifesting His character

Amen - So be it

KNOW THIS... It's all about KNOWING JESUS

Question:

Am I ready? Where is my focus - on the world or on Christ?

Do I believe the Day of the Lord might come at any moment?

Does my life reflect what I believe?

Am I diligent to be found spotless and without blemish before Him?

Do I see this time of delay as my opportunity to grow closer to Christ? How will I do that?

Am I on guard to stand firm on what I know to be the truth?

Am I growing in grace and knowledge of Christ? How?

Am I manifesting His character? How?
