Developing spiritual leaders in every nation who can teach others about the love of Christ, a love that cannot be earned and cannot be lost.

WHY CHOOSE Grace

We believe the concept of grace should extend beyond our theological focus. We've sought to translate grace into every facet of our seminary, ensuring that time and distance are no longer obstacles in pursuing a seminary education.

Serve where you are, Learn where you live

AFFORDABLE

Allow Grace to Invest in Your Education

"The affordability of Grace just blew my mind. When all of a sudden the Lord tells you to go to a seminary, that would usually mean spending thousands and thousands more and some plans might be derailed. What happened was the price point of Grace was just so gracious, truly it is. I kept telling my dad, "Dad, these guys are really living up to their name, Grace."

DAVID SOLTURA
MASTER OF MINISTRY, PHILIPPINES

ACCESSIBLE

Earn a Degree via Distance Learning

"I must admit that I did not think that I would like online learning but after my encounters here at Grace, I have discovered that I love it. I can watch and rewatch my classes. The discussions allowed me to hear the written thoughts of others and respond. If I don't understand the principle or concept I can always rewind and listen to it again."

BROOKLYN WILLIAMS
MASTER OF MINISTRY, USA

ATTAINABLE

Advance at Your Own Pace

One of the things that were important to me was flexibility since I was a wife and a mom, and at that particular time, I started my work full-time. I love being able to watch a class in real-time even if I can't make it to campus and if am not able to do that, then, the following day I can still watch the archive video and I haven't lost anything from the instruction phase.

Grace School of Theology makes a sound, Biblical seminary education affordable and easy to attain. With the BlueJeans platform, we can interact with one another. (We do) everything you would do in a regular classroom.

Erick Hoskin, MDiv (Texas, USA)
Senior Pastor at Word of God Christian
Fellowship

Thankfully, God does not call the qualified, but He qualifies those He calls. When God called me to plant and pastor a church that would point the people of my city to God's grace, Grace School

Ephesien Vincent, BABS (Haiti)
Church Project Haiti Mission

"My Grace education impacted my life greatly in the sense that it helped me to be a better teacher, better preacher, and take the content of the Bible and apply it with our church. Right now I am leading a ministry in Haiti and this ministry has seven churches. It's good to have a seminary education because to be a better minister you have to be educated.

GROW IN GRACE DISCIPLESHIP PROGRAM

Our leader warmly welcomed us and continuously encouraged the group as he led us. Within a few minutes into the first session, we got united in our faith. I really do feel connected with them up until today. Our group was a spiritual and personal joy for me. What a wonderful Lord we have indeed as we discovered that we have something personal in common with one another! Only God can unite such four different men together from Germany, Finland, the Philippines, and Ukraine.

Andreas Neudecker, Master of Arts in Biblical Studies, Germany
