

## **Grace Community Church @ Deerfoot STUDENT PASTOR**

Greetings in the name of the Lord! We are excited to announce that Grace Community Church @ Deerfoot ("GCC") is looking for a full-time student pastor to help fulfill the Lord's calling to equip our people to do His work and build up the body of Christ as well as reach our community with the life-giving truth of the gospel.

GCC is an Elder-led, Bible-believing, Bible-teaching, missions-minded church. Pastor Thad Blount preaches and teaches the Scripture with an expository method. The church was formed in 2014 with the merger of two churches that had been ministering together for over 30 years. We are located directly between the two outlying cities of Clay and Trussville close to Birmingham, AL. We are within 3 miles of Clay-Chalkville and Trussville high schools on a high traffic road between these two cities. We offer small group gatherings, Sunday school, Sunday morning worship service, Wednesday night AWANA for kids, Youth Group for young adults, College and Career ministries, as well as various weekly Bible studies. We are very active in the community with multiple outreach events each year. Because our church is passionate about missions, we support several missionaries and provide a missions' conference annually for our members. Many of our members also carry out ministries of their own as led by the Holy Spirit. For more information about the church, please visit our website at [www.gccdeerfoot.com](http://www.gccdeerfoot.com) or you can check us out on Facebook as well by searching "Grace Community Church at Deerfoot".

### **Ministry Opportunity**

The Elders of Grace believe the Lord is leading us to find a man who desires to work with our student ministry. The Elders desire that this man be teachable, with the mind to share in the work of the ministry alongside the Senior Pastor. We also desire that he have the gift of pastor/teacher with a desire to fully develop what the Lord has already begun in his life and eventually lead him to shepherd the flock of God alongside the Elders and Senior Pastor. We want this man to have a family that he is shepherding and in whom he is investing his life.

The Elders of Grace believe the fields are white unto harvest. People in the church and outside the church are looking for answers in these challenging times. The Elders of Grace also believe the Lord Jesus is the answer and desire that the Senior Pastor have another shepherd serving alongside of him.
