

PREPARING FOR ONLINE LEARNING AT GRACE

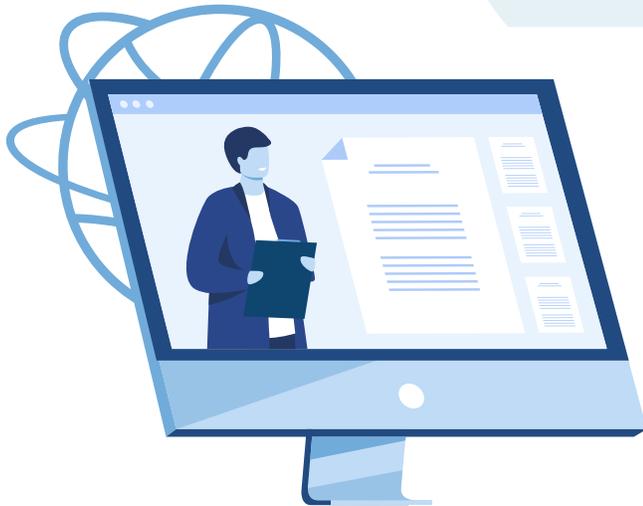

DEDICATED LEARNING SPACE

- Identify a space that is conducive for learning
- Free of distraction
- Stable realizable Laptop or Desktop highly recommended (iPad not best solution)
- Strong, Solid Internet Connection

FAMILIARIZE WITH THE COURSE EARLY

- Download and review syllabi early to be aware of course expectations
- Purchase books and access resources in preparation for class
- Complete the Course Readiness Checklist within the course
- Connect with instructor and/or advisors early if you have questions or concerns

MAXIMIZE THE LEARNING MANAGEMENT SYSTEM

- Setup your notifications to assure you are notified immediately of course updates & announcements
- Login regularly to ensure you don't miss anything
- Synchronize the assignment calendar to your device calendar
- Utilize the Library Resources

SEEK ASSISTANCE

- The Grace Staff is here to help you.
- Contact your instructor when in doubt
- Reach out to Academic or Admissions Advisors when needed.
- Contact Grace Technology Services Team, for technical assistance with Grace systems
